Black Friday Employees and Policies

Black Friday requires all hands on deck for retailers. Stores may hire seasonal staff to meet customer demand. Many employees work late on Thanksgiving making store preparations into the night. Staff may be brought in very early Friday morning before opening. Store managers often provide breakfast or coffee for their overworked teams. To maintain orderly sales, limited quantities of discounted items are permitted. Rules against tenting or line formation may be set. Retailers aim for an energizing yet controlled opening rush. Their staff's hard work helps make the shopping frenzy possible.

1. Why might stores hire extra seasonal workers?

2. What rules might retailers set for shoppers?

3. How do stores prepare staff for the demands?
