Millie's Hair Style

Millie had a unique hair style. Everywhere she went, people stopped and looked at her. Millie had long pink hair that was covered in tiny spiders! It was the most bizarre hair style in the world. The spiders had been living on top of her head for years. Their parents, grandparents and great grandparents had lived in her hair. Millie was proud of her hair style and changed the way she had her hair every day. Some days she had the spiders dangling from the ends of her hair, and other days she sat the spiders on top of her bun. It was unique!

1. What does unique mean?

2. What do you think other people thought of Millie's hair?

3. How long had the spiders been living in her hair?

4. How did Millie feel about her own hair style?

5. What do you think about Millie's hair style?
