Perpetual Motion Harmony Bench, 2020-03-10 A new exploration of how digital media assert the relevance of dance in a wired world How has the

Internet changed dance Dance performances can now be seen anywhere can be looped endlessly at user whim and can integrate crowds in unprecedented ways Dance practices are evolving to explore these new possibilities In *Perpetual Motion* Harmony Bench argues that dance is a vital part of civil society and a means for building participation and community She looks at how after 9 11 it became a crucial way of recuperating the common character of public spaces She explores how crowdsourcing dance contributes to the project of performing a common world as well as the social relationships forged when we look at dance as a gift in the era of globalization Throughout she asks how dance brings people together in digital spaces and what dance s digital travels might mean for how we experience and express community From original research on dance today to political economies of digital media to the philosophy of dance *Perpetual Motion* provides an ambitious invigorating look at a commonly shared practice [Return to Roar](#) Jenny McLachlan,2021-06-29 The imaginary world they created has been waiting for them to come back Twins Arthur and Rose created the magical world of Roar when they were very young and until recently they d all but forgotten it exists But when the villain who still haunts their nightmares kidnaps their grandfather Roar becomes part of their lives again When the twins go back to Roar for their first visit after rescuing Granddad they soon discover there s no time to explore Crowky the villain is poised to destroy their world using a weapon that brings their deepest fears to life Arthur and Rose must use all their courage and travel to the End of Roar to confront Crowky and save the world they built This enchanting action packed novel is the sequel to *The Land of Roar* a bestseller in the UK and is perfect for readers who ve always dreamed of exploring Narnia and Neverland **The Deal** ,2007-05 **The Hollywood Reporter** ,2008 **Mediaweek** ,2010 **The Times Index, January -December 2012** ,2012 *Everyone's An Artist (or At Least They Should Be)* Ron Tite,Scott Kavanagh,Christopher Novais,2016-09-20 Can a Canali clad million dollar banker learn anything from a paint stained artist Definitely Especially now Clearly succeeding in business is an art form We ve informally labelled activities and pursuits as the art of management the art of marketing or even the art of doing more with less but we ve rarely made the direct connection between the two worlds With a rapidly changing digital economy new and emerging technologies increased clutter and a drastically altered media landscape successful companies are those that are original creative and innovative Defining business as art is now a credible school of thought and the lessons are far more practical than philosophical *Everyone s an Artist* shows how and why the most successful executives and entrepreneurs think like artists **Forbes** ,2009 **TV Guide** ,2006 *American Machinist* ,1901 **Broadcasting & Cable** ,2009 **The Wall Street Journal** ,2009 **Angel** Jason Calacanis,2017-07-18 One of Silicon Valley s most successful angel investors shares his rules for investing in startups There are two ways to make money in startups create something valuable or invest in the people that are creating valuable things Over the past twenty five years Jason Calacanis has made a fortune investing in creators spotting and helping build and fund a number of successful technology startups investments that have earned him tens of millions of dollars Now in this enlightening guide that is sure to become the bible for twenty first century

investors Calacanis takes potential angels step by step through his proven method of creating massive wealth startups As Calacanis makes clear you can get rich even if you came from humble beginnings his dad was a bartender his mom a nurse didn't go to the right schools and weren't a top student The trick is learning how angel investors think Calacanis takes you inside the minds of these successful moneymen helping you understand how they prioritize and make the decisions that have resulted in phenomenal profits He guides you step by step through the process revealing how leading investors evaluate new ventures calculating the risks and rewards and explains how the best startups leverage relationships with angel investors for the best results Whether you're an aspiring investor or a budding entrepreneur Angel will inspire and educate you on all the ins and outs Buckle up for a wild ride into the world of angel investing
