Its dark, unforgiving waters are rife with the rumours of a local legend: The legend of a ghoul who knows no mercy. Will the couple be successful in their getaway? Or will their destiny lead them to an encounter with the deadly shambler of the deep? From the devious mind of India's most prolific horror writer, Neil D. Silva, comes this bone-chilling horror story inspired by an Assamese local legend.

Indian Genre Fiction Bodhisattva Chattopadhyay, Aakriti Mandhwani, Anwesha Maity, 2018-07-06. This volume maps the breadth and domain of genre literature in India across seven languages: Tamil, Urdu, Bangla, Hindi, Odia, Marathi, and English, and nine genres. For the first time, over the last few decades, detective, crime fiction, and especially science fiction and fantasy have slowly made their way into university curricula and consideration by literary critics in India and the West. However, there has been no substantial study of genre fiction in the Indian languages, least of all from a comparative perspective. This volume, with contributions from leading national and international scholars, addresses this lacuna in critical scholarship and provides an overview of diverse genre fictions. Using methods from literary analysis, book history, and Indian aesthetic theories, the volume throws light on the variety of contexts in which genre literature is read, activated, and used, from political debates surrounding national and regional identities to caste and class conflicts. It shows that Indian genre fiction, including pulp fiction, comics, and graphic novels, transmutes across languages, time periods, in translation, and through publication processes. While the book focuses on contemporary postcolonial genre literature production, it also draws connections to individual centuries-long literary traditions of genre literature in the Indian subcontinent. Further, it traces contested hierarchies within these languages, as well as current trends in genre fiction criticism. Lucid and comprehensive, this book will be of great interest to academics, students, practitioners, literary critics, and historians in the fields of postcolonialism, genre studies, global genre fiction, media, and popular culture.

South Asian literature, Indian literature, detective fiction, science fiction, romance, crime fiction, horror, mythology, graphic novels, comparative literature, and South Asian studies. It will also appeal to the informed general reader.
