Clutch Leadership Alan T. Belasen, Ph.D., Barry Eisenberg, Ph.D., 2025-10-20 Today's organizational leaders contend with a considerable array of potentially profound disruptive forces. Emerging information management and creation tools like AI and robotics in conjunction with economic swings, global manufacturing shifts, and political instabilities are creating immeasurable effects on business strategies and leadership practices. Transforming short-term challenges into long-term opportunities requires rising to the occasion or what we call clutch leadership. We believe that all leaders have it in them to be clutch leaders. Such is the thrust of this book. Clutch leaders have the skills to manage disruptions, break down silos, and align people around a compelling vision of success that represents a shift from strategic fit, matching resources and capabilities with opportunities, to strategic stretch, leveraging industry positioning to create competitive advantage. They create a productive and motivating sense of urgency and high aspiration in the organization during times of increased stakes. Clutch leaders build consensus in support of high-stakes decisions and model the way with a combination of confidence, capability, and conviction. Focusing on impact during disruptive times enables clutch leaders to harness the full potential of organizational resources beyond strategic fit, even if it requires a temporary push of skills and behaviors to extremes or taking on additional risks and opportunities. Strategic stretch. What makes clutch leadership unique is the focus on temporary imbalance, the suspension of trade-offs between staying in the comfort zone versus playing to one's tried and true strengths until the gap is closed or until the new vision and reality are realigned through innovation and leverage. Clutch leaders' distinctive ability to balance high stress, big picture thinking with composure, agility, attention to detail, and strong logical reasoning with communication skills and empathy allows them to navigate fast-paced, challenging situations quickly and successfully. Numerous case studies are also included to illustrate innovative leadership techniques and applications.

100+ REAL Work from Home Jobs, Gigs, Careers, and Side Hustles that You Can Do RIGHT NOW Rebecca Hurst, 2020-06-08 Yes, you really can make an actual income working from home. Under the recent advice of social distancing and stay safe, stay at home, the advantage in today's workforce lies with those people who are able to do real work from home. Because let's face it, this will not be the only instance in our lifetime where we will encounter the need to lock down and shelter in place. In my book, I show you over 100 ways you can have a successful career working from the comfort of your own home. My *Work from Home* book addresses all skill levels and touches on nearly every sector of gainful employment that can be performed remotely. From highly skilled medical professionals to someone just now entering the workforce with little to no prior experience, there's a job for you. If you're just looking to make some extra side income or work at your own pace, this book is for you, too. Many positions can be tailored to your preferred schedule, what your expertise is, and what your level of comfort with technology might be. I took the guesswork out of the equation for you. Other books, blogs, and articles will direct you to the link to find the job, and then you have to figure out if it is for you. The goal of my book is to cut out some of that

guesswork for you by supplying you with as much information as possible so that you can start your own process without having to wade through all the internet muck I have done the heavy lifting for you You will find at least one chapter that seems like it was written especially for you in your situation This book is set up in chapters divided by how you would go about finding a job you love The first part is about finding what work you might want to do establishing what you re good at and general advice about job hunting and working from home The bulk of the book is dedicated to practical guidance for finding that job in the real world You can peruse the types of jobs that can be done remotely and how you might go about performing the job you love Conversely I have provided you with a listing of over 60 companies who are actively hiring remote work from home workers Out of the 100 ways to work from home you re sure to find something you never thought of doing Finally I wrap up with addressing places to find freelance or gig work and suggesting some job opportunities you might take advantage of working from your house as a base of operations While these jobs might not be done completely at home you can still work out of your house without having to step foot in a cooperate office It s better in the eBook format I would highly recommend purchasing or gifting this book in the Kindle eBook format because it is filled to the brim with helpful links that are clickable when read in the eBook format If you have a Kindle Unlimited membership you can also get this title for FREE for a limited time so be sure to click Read for Free before this title is removed from Kindle Unlimited
