selling author of Goodbye Things shares insights and practices to help us embrace habits and become the best versions of  
ourselves Fumio Sasaki changed his life when he became a minimalist But before minimalism could really stick he had to  
make it a habit All of us live our lives based on the habits we ve formed from when we get up in the morning to what we eat  
and drink to how likely we are to actually make it to the gym In Hello Habits Sasaki explains how we can acquire the new  
habits that we want and get rid of the ones that don t do us any good Drawing on leading theories and tips about the science  
of habit formation from cognitive psychology neuroscience and sociology along with examples from popular culture and tried  
and tested techniques from his own life he unravels common misperceptions about willpower and talent and offers a step by  
step guide to success Ultimately Sasaki shows how ordinary people like himself can use his principles of good habit making  
to improve themselves and change their lives
