**Middle Eastern Emerging Middle Powers** Mordechai Chaziza, Carmela Lutmar, 2026-04-23 This book examines how key Middle Eastern states use diplomacy in specialized ways to expand their influence in a changing global landscape Focusing on the early twenty first century the book examines how 11 states Egypt T rkiye UAE Iran Iraq Kuwait Oman Saudi Arabia Qatar Jordan and Israel despite having limited military or economic power have carved out distinct international roles through mediation humanitarian aid renewable energy culture and sports It introduces the concept of niche diplomacy to explain how states convert vulnerability into strategic advantage enhancing visibility and legitimacy through focused expertise rather than force Drawing on comparative case studies the book presents a regional perspective on how diplomacy operates within authoritarian and hybrid regimes offering insights that extend beyond the Middle East The study bridges theory and practice combining accessible analysis with original research on topical examples such as Qatar s global mediation efforts the UAE s renewable energy leadership and T rkiye s humanitarian activism By challenging traditional Western centered models of power the book provides a fresh framework for understanding how non hegemonic states shape international affairs in an increasingly fragmented and multipolar world This book will be of much interest to students of foreign policy Middle Eastern politics global governance diplomacy and International Relations

E-Commerce Fundamentals Dr. Dinesh G. Harkut, Dr. Kashmira N. Kasat, 2025-10-06 This book E Commerce Fundamentals A Concise Guide for Beginners has been carefully designed with undergraduate students particularly engineering learners in mind Over the years of our teaching and research experience we have observed a growing need for a comprehensive yet concise academic resource that introduces the essential principles of e commerce while also highlighting its practical relevance Most existing literature either approaches the subject from a purely business standpoint or look into highly technical perspectives Our intent has been to bridge this gap by presenting a text that is conceptually strong practically relevant and student friendly

*Ecommerce for Dummies* David Nelson, 2018-10-17

Learn the perfect strategy to start and run e-commerce for every end of the year, even if you are brand new. Do you want to start an e-commerce business but don't know how or when to get started? End of the year is always a guaranteed time to start and create your online dropshipping e-commerce store because it's a period of time when everyone is tempted or must purchase a product for either themselves or loved ones. Think about it: there are over 5 billion transactions made in the United States, other countries excluded, on a single day: BLACK FRIDAY. Last year, not to even talk of Cyber Monday and some other End of the December year promotion strategy that help in generating massive amounts of money. What idea does that pump to your brain? Note that the most money transacted in that single day goes to dropshipper people like you and some other giant e-commerce websites like Amazon, eBay, and Walmart, etc. Now it's another end of the year: Black Friday, Cyber Monday, and Christmas rush sale period is on the way, and much more transaction is going to be made than last year, and people like you, Shopify, and other online store owners are going to make the most money. Whether you are a brand new to e-commerce or you are already into it, but looking for a way to triple your income:

1. the right strategy that will help you take your store to the next level
2. separate yourself from your competitor
3. own a highly reputable e-commerce brand
4. run smarter promotion than your competitor
5. The blueprint you needed is outlined step by step in this book.

Each chapter in this book is meant to deliver a great value that will help you run a better online dropshipping e-commerce business and can also be applied during the year, not only the end of the year but mostly meant for every end of the year. Below is a glimpse of what you are going to learn in this book:

- The best strategy to start and run retail product promotion and free shipping product promotion.
- How to sell more product, reach more people, and quickly.
- Blitz your Facebook pixel fan page and email list.
- The never-revealed blueprint behind selling more product on Black Friday, Cyber Monday, end of the year, Christmas period of time, and how anybody, both beginner and expert, can apply this strategy to their online store businesses.
- Why you need social proof for your e-commerce business.
- The best way to get customer to review your product for social proof and how to use that review to get more sales.
- The secret behind collected Shopify customer data and how to use it for advanced Facebook targeting and much more.

Even if you have run e-commerce store several times and failed, the strategy I outlined in this book is proven to help you run a successful online store, create a reliable brand, make you money you deserve, and transform your business. Furthermore, this book is written in plain, simple English and easy to follow, step-by-step guide.

NOTE: The strategy outlined in this book can also be applied for the beginning of the year. To learn what it takes to run a better Black Friday, Cyber Monday, end of the year
