Romantasy S Best Setup:

The Curse of the Wretched: A Spicy Beauty and the Beast Romantasy Retelling with Shadow Magic S. Usher Evans, 2026-09-08 From award winning author S Usher Evans comes a brand new steamy romantic fantasy featuring a gender swapped fairy tale retelling about a cursed witch and an earnest prince trapped in a house with an evil sentient magic. Five hundred years ago the Legendary Balfour vanquished the evil witch Ophesia saving Genad Kingdom from her heinous curse. So when that same witch crashes his father's coronation and revives the curse Prince Thom is charged with finishing what Balfour started. Thom is more diplomat than warrior and if a throne room of soldiers can't kill the shadow wielding menace he has little hope of success. Armed with Balfour's ancient journals Thom hopes to convince Ophesia to free his people with charm instead of steel. But his plan goes sideways when the beautiful and mysterious woman imprisons him vowing he'll never leave her magical castle hidden in the mountains. Thom's new prison is much friendlier than he'd expected with a quartet of enchanted housewares at his beck and call. As Thom learns more about his mysterious captor he discovers Ophesia's not just an evil witch but a woman who sacrificed everything for the man she loved once upon a time. And saving his kingdom might just mean mending her broken heart.

Get the third boxed set today __ Praise for the series: You will be drawn into a world so different, so compelling. You won't want to put it down. Love the descriptions and settings that transport me to that world. Well told and well written. This book really kept me on my toes. I cried so much, not knowing what would happen. I'm so in love with this series. This series is in the right century, told in the right way, and based on sound research, plus it's just plain old great storytelling. Tracy Cooper Posey has brought the Arthurian Legend alive. I am so enjoying this series; it seems each book gets better and draws me in deeper. A simply fantastic series that is getting better and better with each new book. The more I read of this series, the more I want. I can't say enough good things about the series. I love the way the tapestry of the historical setting is pieced together, bringing the sights and sounds of the dark ages alive. So good, I binged on these the first time as each individual book, and now in this box set, I binged on them again. The spellbinding storytelling provided tales so complex and yet so enthralling that I was completely addicted and transported. There was often a delightful theme of strong women learning about and achieving their best selves. And the sword. I love Tracy's explanation for how the sword ends up in the stone. Such a great idea. It is so much more than the book blurb promises. These fast-paced plots with the action, intrigue, and romance thicken with each book and will keep you fully engaged and up all night. Tracy has an amazing ability to make you feel anxious, thrilled, hurt, relieved. You become so involved with the characters that you feel their apprehension, strength, relief, joy, fighting for what they believe in.
