Readercentric Writing for Digital Media David Hailey,2016-12-05 This book presents an altogether new approach to writing and evaluating writing in digital media It suggests that usability theory provides few tools for evaluating content because usability theory assumes only one kind of writing on the Internet The author suggests three models user centric usability model persuasion centric encouraging the reader to linger and be persuaded Canon camera ads and quality centric encouraging the reader to linger and learn or be entertained because of the quality of the writing NASA gov and YouTube Designed for professional writers and writing students this text provides a rubric for writing in digital media but more importantly it provides a rubric and vocabulary for identifying and explaining problems in copy that already exists The Internet has become a pastiche of cut and paste content often placed by non writers to fill space for no particular reason or by computers with no oversight from humans e g Amazon com Because these snippets are typically on topic but often for the wrong purpose or audience professional writers have difficulty identifying the problems and an even harder time explaining

them Finding an effective tool for identifying and explaining problems in digital content becomes a particularly important problem as writers increasingly struggle with growing complications in complex information systems systems that create and manage their own content with little human intervention Being able to look at a body of copy and immediately see that it is problematic is an important skill that is lacking in a surprising number of professional writers [Mobile for Good: A How-To Fundraising Guide for Nonprofits](#) Heather Mansfield,2014-03-07 Even if you can only invest 5 staff hours and a mobile and social media budget of 1 000 annually your nonprofit must invest in mobile and social media Heather Mansfield Mobile devices are fast becoming the 1 means of digital communication If you want a sustainable future for your nonprofit you need to have a strong presence on prospective donors tablets and smartphones Statistics prove that the most successful online fundraising campaigns are those designed for portable devices from 2 inch smartphone screens to 17 inch laptops In this groundbreaking book social media pioneer Heather Mansfield offers everything you need to know to conceptualize build and maintain a mobile and social fundraising strategy to dramatically increase donations In Mobile for Good Mansfield takes you step by step through the entire process Learn how to Master your mobile fundraising strategy Create a strategic plan flexible enough to handle changes in technology Design a website and emails that work on both mobile devices and computers Choose the best mobile and online tools based on your budget and your donor demographics Build a system that tracks evaluates and reports campaign results Maximize the potential of Facebook Twitter LinkedIn and other sites Whether your goal is to raise more funds online launch a new program or increase your capacity to maintain current operations creating and executing a mobile and social media strategy is a small investment that packs a big punch Apply the lessons of Mobile for Good and your organization can and will raise more funds than ever ADVANCE PRAISE FOR MOBILE FOR GOOD If I want to know what s trending research current best practices or discover new tools relevant to nonprofit technology Heather Mansfield s blog Nonprofit Tech for Good and her books are always my top references Viviana Pag n Mu iz Digital Marketing Director SOS Children s Villages USA Social Media for Social Good and her blog Nonprofit Tech for Good have been my primary resources for learning how to communicate Indian conservation issues on a global scale Thanks to Heather Mansfield s advice we ve been able to build an international brand from our tiny corner of the world Vinay Datla Director of Communications Wildlife SOS India Heather Mansfield s NonprofitOrgs online accounts have become my go to resource for connecting with other nonprofits as well as staying informed with the latest trends in mobile and social media Her insightful and practical advice helped WITNESS understand the need for transparency in our mobile and social media strategies Marianna Moneymaker Digital Engagement Production Coordinator WITNESS Heather Mansfield s invaluable webinars and recommendations have helped us grow into one of the most effective social media users in the national aging advocacy network We anticipate even greater growth in the future by applying the best practices offered in Mobile for Good Pamela Tainter Causey Director of Communications National Committee to Preserve Social Security and Medicare Through a
