imperfection to enjoy this book Really thriving requires an uncommon set of barely legal Biohacking tools social dynamics strategies from the fringes of polite society and rapid mindset transformation technologies which this lifehacking manifesto delves into deeply This book is especially for that one or two percent of the population that has a glaring physical defect which I fall into I m cross eyed with Strabismus which you can see below If you re reading this perhaps you are too There are certainly people out there with more conspicuous physical imperfections who have it worse than I do However the eyes are the windows to the soul they are a part of nearly every important human interaction Not having normal eyes has been a disadvantage that I ve needed to develop a specific set of skills and life strategies to overcome I was talking to my lovely fianc e about this book and she asked me if the purpose of the book was to help the self esteem of people with physical imperfections Not really This book is more about the lifehacks that I ve employed over the past 15 years strategies methods and tools that work to help you overcome the challenge of a physical imperfection and thrive These things will likely improve your self esteem but they will also work if you have low self esteem or no self esteem or too much self esteem as I m sometimes accused of having Self esteem is not my focus there are better books on self esteem My focus is on what works This is not your typical self help book I ve had a pretty interesting life I ve dated a politician s daughter in Medellin Colombia I hung out with spies in Kyiv Ukraine I ve almost died underwater twice I participated in a bank robbery and I lost my virginity to a spy yes really From getting into high speed car chases to being deported from South American countries to representing the US Presidential candidate Donald J Trump I ve found the happiness I didn t give a damn about and realized my dream of becoming an adventuring philosopher I m not a theorist in the business of making generalizations The tactics and tools presented here are for rigorous practitioners ethical hedonists and open minded self experimenters I may sound like quite the pompous pontificator but I ll offer no apologies because storytelling is the best way to impart the unconventional mindset that saved me from mediocrity and the biohacks that enabled me to defy my selfish genes If you re bored with the tired problem generalization platitude strategy formula that most self help books follow you ll enjoy this memoir of adventures failures and unexpected successes across three continents I ll share with you some powerful tools for transformation Biohacking smart drugs flowstate red pill mindset and more with which I ve managed to pack several lifetimes worth of peak experiences into a single decade

Dr Growth Danny Flood,2018-04-03 Increase your business profits and growth We all know of people who are running their own successful and profitable business and doing it all online What s the 1 thing that separates the few standouts that thrive and prosper while others struggle to gain traction It isn t that these entrepreneurs are smarter or better connected or work harder than the rest of us It s effective marketing Pure and simple Either by accident or by design successful entrepreneurs have cracked the code and figured out how to generate customers effectively and monetize them at a cost lower than they acquired them The good news is once you understand the basics of killer marketing and know exactly how to scale your efforts it gives you incredible liberating power You can easily

make traffic users customers and money materialize out of thin air You may be blown away by how easy it can actually be And it s all LEARNABLE It s not some mystery There s an exact code and technique to make magic happen again and again Hundreds of campaigns millions in pageviews millions of followers millions of emails and millions in revenue Working nights holidays and weekends I ve been able to fit together the pieces of a grand puzzle and discover the secrets of hacking growth automation leverage and how to create a god like aura of efficiency and speed to help any business dominate its space online Through countless campaigns I ve tested hundreds of tactics and invented my own strategies where none previously existed and kept only the methods I know work From tireless tests and experiments I ve been able to create a process that is proven to be consistent repeatable and most importantly its effective Now It s Your Turn Are you ready to learn the secrets that top earning online marketers are using to dominate virtually every platform and niche online It is with great esteem and an equal measure of humility that I bring you my latest guide to growth hacking your marketing Growth Hacking 101 What You ll Learn in This Book The three critical elements that make or break every marketing campaign How to position products so that they become addictive and foster viral word of mouth How to master the dark arts of Neuromarketing and sell anything you want use responsibly The most effective and automated lead generation strategies and case studies How to hack time cultivate a godlike aura of efficiency and speed Hack the world of online PR rejection proof techniques to generate celebrity status for you and your business How to hack online publishing The 50x and 100x niche domination strategy used by the biggest growth hackers How to create your own viral videos using proven strategies How to generate non stop leads using LinkedIn Powerful Facebook advertising strategies to place you and your business front and center Hand Holding for every channel and platform generate free leads and traffic slash your marketing budget to a fraction The hottest tools and automation software and clever ways to use them And a whole lot 300 pages more Over the last 12 years I ve launched blogs books written several hundred pieces of content published podcasts promoted affiliate products sold my own products created online courses written sales copy created email lists created huge followings on virtually every channel produced membership sites landing pages done video marketing ranked websites 1 for competitive terms and on and on I ve also honed the best marketing tactics through repeated tests and campaigns working with more than two hundred clients Now I ve compiled this into a powerful system that can predictably and consistently launch any business to the top of their respective niche And now it s your turn Are you ready
