The Life of Chuck Stephen King, 2025-06-10 Stephen King's *The Life of Chuck* is a phenomenal USA TODAY tale of life and legacy now a feature film directed by Mike Flanagan and starring Tom Hiddleston, Mark Hamill, Chiwetel Ejiofor, and Karen Gillan, available for the first time in a beautiful stand-alone edition with a new introduction by Stephen King and a design surprise. Originally featured in the acclaimed story collection *If It Bleeds*, this unforgettable mind-bending tale unfolds in reverse, taking readers through the extraordinary life of Charles Chuck Krantz. In a crumbling world plagued by natural disasters, collapsing infrastructure, and mass panic, bizarre billboards and advertisements appear throughout town. Charles Krantz, thirty-nine great years old, thanks Chuck Marty Anderson, a schoolteacher, who becomes obsessed with these messages as the world inexplicably links to Chuck's life. It seems to be approaching its end. Told in three acts presented in reverse order, *The Life of Chuck* explores one man's past. We see him in middle age on a business trip in Boston as he is seduced by a busker into spinning a gorgeous sidewalk dance. And we see him as a child in a house haunted by a terrible secret, learning to dance with his grandmother. In these pages, King reminds us that life's quotidian pleasures are even more glorious because they are fleeting: the outrageous good fortune of a beautiful blue day after a string of gray ones, the delight of dancing when every move feels perfect, a serendipitous meeting. King's ability to describe pure joy rivals his ability to terrify us. Now a major motion picture and winner of the Toronto International Film Festival People's Choice Award, *The Life of Chuck* is a glorious story about community and about humanity at its best, a celebration of joy, mystery, existential wonder, and the multitudes contained in all of us.

'Salem's Lot (Movie Tie-in) Stephen King, 2022-08-02 NOW A NEW FILM STREAMING ON MAX 1 BESTSELLER Ben Mears has returned to Jerusalem's Lot in hopes that exploring the history of the Marsten House, an old mansion long the subject of rumor and speculation, will help him cast out his personal devils and provide inspiration for his new book. A master storyteller, *The Los Angeles Times* When two young boys venture into the woods and only one returns alive, Mears begins to realize that something sinister is at work. In fact, his hometown is under siege from forces of darkness far beyond his imagination. And only he, with a small group of allies, can hope to contain the evil that is growing within the borders of this small New England town. With this, his second novel, Stephen King established himself as an indisputable master of American horror, able to transform the old conceits of the genre into something fresh and all the more frightening for taking place in a familiar idyllic locale.

Elevation Stephen King, 2018-10-30 From legendary master storyteller Stephen King, a riveting story about an ordinary man in an extraordinary condition rising above hatred. *The Washington Post* and bringing the fictional town of Castle Rock, Maine, together in a joyful, uplifting *Entertainment Weekly* tale about finding common ground despite deep-rooted differences. The sign of a master elevating his own legendary game yet again. USA TODAY Although Scott Carey doesn't look any different, he's been steadily losing weight. There are a couple of other odd things, too. He weighs the same in his clothes and out of them, no matter how heavy they are. Scott doesn't want to be poked and prodded. He mostly just wants someone

else to know and he trusts Doctor Bob Ellis In the small town of Castle Rock the setting of many of King s most iconic stories Scott is engaged in a low grade but escalating battle with the lesbians next door whose dog regularly drops his business on Scott s lawn One of the women is friendly the other cold as ice Both are trying to launch a new restaurant but the people of Castle Rock want no part of a gay married couple and the place is in trouble When Scott finally understands the prejudices they face including his own he tries to help Unlikely alliances the annual foot race and the mystery of Scott s affliction bring out the best in people who have indulged the worst in themselves and others Written in masterly Stephen King s signature translucent this uncharacteristically glimmering fairy tale calls unabashedly for us to rise above our differences Booklist starred review Elevation is an antidote to our divisive culture an elegant whisper of a story Kirkus Reviews starred review perfect for any fan of small towns magic and the joys and challenges of doing the right thing Publishers Weekly starred review
