Your Top 50 English Questions Answered Hugh Dellar, Andrew Walkley, 2025-03-15 Every learner of English as a foreign language has questions about how English works and about the examples of English in use that they encounter in real life. Whether you are a student of English or a teacher of English, finding clear, sensible answers to these questions can be a challenge. Drawing on decades of language teaching experience and studying examples of everyday language the way it is actually used, Hugh Dellar and Andrew Walkley have selected the 50 most frequently asked questions about English from their popular interactive Facebook group *English Questions Answered*. If you've ever asked questions like these: What's the difference between *I like to dance* and *I like dancing*? Should it be *I study at school* or *I study in school*? What's the difference between *large* and *big*? Is it true that we can't use the present perfect continuous in the negative? Then this book is for you. You'll find more than answers to the questions you'll get a discussion of why the issue matters, if it does, and how to apply your new understanding of the structures in question to similar topics. Each lesson concludes with a summary called *What I'd Tell My Students*, which offers a succinct answer to the question if it comes up in class exactly the way Hugh and Andrew would.

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
