Ben walked out the house. The red door swung open to his world. Ben was an early teenager of ten, peering on the Fourth Step. He brushed his hair and put on a graphic, then their mother peered at him as they ate breakfast together.

Ben talked with the doctor in the hospital. He explained his condition and how the other kids felt. He talked about his mother and how she would help him. They were all very kind and helpful.

By the time he got out, Ben felt happy. He was going to spend the rest of his life with his friends. He hoped that one day he would be able to go back to school.
