Intensifying Classroom Routines in Reading and Writing Programs Michael P. Ford, 2017 Three common routines are seen in almost every primary language arts programs morning messages shared readings and word walls These routines should be integrated to support the total language arts program but are teachers of grades K 2 getting the most bang for their buck out of these activities Morning messages can become very routinized and repeat the same experiences over and over again Shared readings are sometimes conducted with little variation in spite of changing demands from the texts being used and changing needs in the learners with whom they are being used Word walls might be put up with some attention early in the year and remain virtually unchanged as the year moves forward *Intensifying Classroom Routines in Reading and Writing Programs* focuses on how teachers can get more instructional mileage out of these three common classroom routines Author Michael P Ford lays out step by step day by day plans to put those three key routines on a cycle that changes as students move through developmental phases This resource helps teachers plan for emergent and early readers and writers It also looks at how teachers can assist students as they move through critical areas including concepts of print alphabetic knowledge phonological awareness sound symbol relationships high frequency words structural analysis context clues comprehension strategies and composition strategies With these intensified routines in place students will clearly see connections between reading and writing

Early Intervention for Reading Difficulties, First Edition Donna M. Scanlon, Kimberly L. Anderson, Joan M. Sweeney, 2010-07-02 This book presents a research supported framework for early literacy instruction that aligns with multi tiered response to intervention RTI models The book focuses on giving teachers a better understanding of literacy development and how to effectively support children as they begin to read and write The authors interactive strategies approach is designed around essential instructional goals related both to learning to identify words and to comprehending text Detailed guidance is provided on ways to target these goals with K 2 students at risk for reading difficulties Assessment and instructional strategies for whole class small group and one to one settings are discussed in depth Numerous reproducible forms for documenting student learning are included

Teaching Word Recognition Skills Cindy Hendricks, 2007 Seeks a more balanced approach toward all the word recognition skills It includes an in depth discussion of vowels and consonants before addressing traditional word recognition skills The new edition has also attempted to include a significant amount of research citations to support the teaching practices and strategies outlined in the book from publisher description
