**Stimulus, Intention and Process in Creative Writing** Graeme Harper, 2024-02-01 *Stimulus Intention and Process in Creative Writing* explores three exciting and key areas of creative writing practice and understanding What stimulates a writer to write or to write a particular piece What do they intend to achieve when they do it And is there a process we can study and perhaps even understand The authors in this book who are both practitioners and researchers explore these three areas in unique and thought provoking ways They bring to the discussion both expertise in relation to what we already know and a sense of forward thinking in discussing how we can find out more This is a book for creative writing researchers and students who are seeking new knowledge about how creative writing is done what informs and encourages those doing it and what results from that knowledge and encouragement It is also potentially a book for creative writing practitioners who wonder how the things that interest them have them writing certain things and the ways they go about approaching undertaking and completing these projects The chapters in this book were originally published in *New Writing The International Journal for the Practice and Theory of Creative Writing* [If Something Happens to Me](#) Alex Finlay, 2024-05-28 From one of the genre's most exciting voices E News comes one of the year's most anticipated thrillers For the past five years Ryan Richardson has relived that terrible night The car door ripping open The crushing blow to the head The hands yanking him from the vehicle His girlfriend Ali's piercing scream as she is taken With no trace of Ali or the car a cloud of suspicion hangs over Ryan But with no proof and a good lawyer he's never charged though that doesn't matter to the podcasters and internet trolls Now Ryan has changed his last name and entered law school He's put his past behind him Until on a summer trip abroad to Italy with his law school classmates Ryan gets a call from his father Ali's car has finally been found submerged in a lake in his hometown Inside are two dead men and a cryptic note with five words written on the envelope in Ali's handwriting If something happens to me Then halfway around the world the unthinkable happens Ryan sees the man who has haunted his dreams since that night As Ryan races from the rolling hills of Tuscany to a rural village in the UK to the glittering streets of Paris in search of the truth he has no idea that his salvation may lie with a young sheriff's deputy in Kansas working her first case and a mobster in Philadelphia who's experienced tragedy of his own In classic Alex Finlay form *If Something Happens to Me* is told by several distinct compelling characters whose paths intersect detonating into a story of twist after pulse pounding twist The novel cements Finlay as one of the leading thriller writers today
