The Pint of No Return Ellie Alexander, 2018-10-02 Amateur sleuth Sloan Krause returns in *The Pint of No Return* another delightful cozy by Ellie Alexander this time investigating a movie star who's murdered not long after arriving in Leavenworth WA to film his latest project. No other festival compares to Oktoberfest in Leavenworth Washington. The whole town is buzzing with excitement over this year's activities and eagerly awaiting Nitro's latest offering Cherrywizen made with locally sourced cherries. But local brewmaster Sloan Krause is tapped out. Between trying to manage the pub, her pending divorce with Mac and her mounting feelings for Garrett she's fermenting in internal turmoil. To complicate matters dreamy movie star Mitchell Morgan and his production crew have arrived in the village to film during the authentic Bavarian brewfest. Mitchell has his eye on Sloan and a taste for Nitro's Cherrywizen. Sloan escapes his advances for good when she finds Mitchell slumped over the bar. Is this a case of one pint too many or has Mitchell been murdered by microbrew? A charming new series, fascinating and fun. Kate Carlisle. **Farmer's Weekly**, 1921

Survey of Tablet Computer Lending Programs in Libraries Primary Research Group, 2014 The 80 page study presents the results of a survey of 42 libraries with tablet lending programs or those just about to implement one. The report gives detailed data and commentary on how the programs were organized, financed and implemented and their impact on patrons and libraries. The report helps its readers to answer questions such as: how many tablets do libraries maintain for loan? Which brands do they prefer and which are they planning to purchase in the future? How much have they spent on their tablet lending programs and plan to spend? Do they load their tablets with apps? If so, how do they choose them? How many tablets are lost to theft? Or to negligence or accidents? What is the fine for overdue tablets? What is the length of the lending period? What are the circulation figures for tablets? What has been the impact on other library resources such as a pre-existing laptop lending program? Or on use of the library's eBook collection? Which libraries do they view as models and what advice can they offer to peers? What services or training are offered to library patrons about how to use the tablets? Data in the report is broken out by library type: public library, public college, private college, special library, by size of library staff and size of stock of tablet loaned and other variables. **Return to Tradd Street** Karen White, 2014-01-07 In the fourth novel in the New York Times bestselling Tradd Street series, Charleston realtor Melanie Middleton is determined to leave the past behind her.
