*Amazing Grace* Kathleen Norris, 1999-04-01 A NEW YORK TIMES NOTABLE BOOK OF THE YEAR From the New York Times bestselling author of *The Cloister Walk* a book about Christianity spirituality and rediscovered faith Struggling with her return to the Christian church after many years away Kathleen Norris found it was the language of Christianity that most distanced her from faith Words like judgment faith dogma salvation sinner even Christ formed what she called her scary vocabulary words that had become so codified or abstract that their meanings were all but impenetrable She found she had to wrestle with them and make them her own before they could confer their blessings and their grace Blending history theology storytelling etymology and memoir Norris uses these words as a starting point for reflection and offers a moving account of her own gradual conversion She evokes a rich spirituality rooted firmly in the chaos of everyday life and offers believers and doubters alike an illuminating perspective on how we can embrace ancient traditions and find faith in the contemporary world

**The Truth About Grace** John F. MacArthur, 2012-04-30 Is the experience of God's grace in your life a thrilling thing Just thinking about the fact that God by His own sovereign plan decided to be gracious to me is overwhelming There is nothing greater than receiving grace upon grace John MacArthur Simple definitions can make grace feel like an obvious even mundane concept Nothing could be further from the truth Grace is the defining feature of the Christian faith Once we understand how undeserving we are and how much favor we've been given grace becomes shocking thrilling inspiring and contagious Best selling author and pastor John MacArthur illuminates this profound concept with verse upon verse of Scripture He also shows that misunderstandings about grace have led to some of the church's greatest problems perhaps because grace is her most precious gift In *The Truth About Grace* readers are taken through the Bible and encounter Studies of key Bible characters Theological instruction Practical application points and ideas Inspiration to grow in an understanding of God's grace Grace is the bedrock of humankind's interaction with God Without his grace we are all doomed to failure and separation from him In this book you will see the pivotal role of grace in both your salvation and your everyday life *The Truth About* Series For decades MacArthur has encouraged countless Christians to develop a deeper understanding of the Bible and a greater respect for God's truth In *The Truth About* series he now gathers his landmark teachings about core aspects of the Christian faith in one place These powerful books are designed to give readers a focused experience that centers on God's character and how it applies to their daily walk of faith

[Grace, Faith, and Obedience](#) David E. Pratte, 2014-02-05 A study of Bible teaching about Calvinism compared to salvation by obedient faith Includes the following topics Original sin and inherited depravity Election and predestination Grace and mercy of God Falling from grace Imputation of Christ's sinless life Faith only or obedient faith Does Scripture teach that we are born totally depraved because we inherit Adam's sin or are we free moral agents having the free will power to choose between good and evil Are the elect chosen based on unconditional predestination or is forgiveness conditional on our conduct Did Jesus die as atonement for the

sins of all people or just for a limited few What is the relationship between law faith works and grace Can a child of God so sin as to be lost or does the Bible teach the perseverance of the saints eternal security or once saved always saved

*Theological quarterly*, 1906      **Unashamed Of Grace** Emecheta Ofondu, 2020-07-25 This book is written to give clarity to the fundamental grounds of the gospel which is grace Grace if properly understood opens up a rich understanding of the entire Bible and empowers the believer to live a wholesome Christian life In explaining this fundamental basis of the gospel the book contrasts markedly between legalism and grace drawing upon tons of scripture to make the distinction When Paul said he was not ashamed of the gospel he actually meant he was not ashamed of grace The legalistic worldview is that which believes that we must act right in order to be blessed by God It is righteousness based on the works of the law The grace view is that which believes that righteousness is given to the believer as a gift by the baptism of the Holy Ghost The power of grace is in the law of faith and not the law of works The exercise of your faith in grace has a law that activates the Christian life in you giving you power over sin and other circumstances Romans 3 27 Where is boasting then It is excluded By what law of works Nay but by the law of faith Faith in grace the finished work of Christ has a law that enables you enjoy your Christian life granting you an abundant life of love joy Peace      *Faith, Grace, and Conquering the Impossible* Brooke Ryan, 2017-02-13 Certainly she must be crazy I know they were thinking it I stood there cradling my newborn baby and announced to my family and friends that I wanted to go to medical school OK so I have a baby and I am nineteen and I am not married Cant there be a way to make this happen The baby changed everything but they did not understand what that really meant to me I am not sure I understood where that would lead me but I knew that God had something in mind for me that I could not even begin to comprehend yet He understood that I would need an incentive to find my full potential and this would require digging through the mire of dysfunction that led me to this place He would need to help me learn to truly forgive those who hurt me and to let the anger go He would need to help me pick up the broken pieces in order for me to help others in their brokenness He would have to remake me This is the story of how the Lord brought me through growing up in a divided home plagued by domestic violence and fueled by my stepfathers binge alcoholism how He brought me through single parenthood and how He placed me on the road to achieving my elusive goal The road was difficult and complicated by lots of other annoying things like three operations for cancer and being hit by a car However nothing is impossible for God Through faith and by His Grace He helped me to conquer the impossible      *Grace Defined and Defended* Kevin DeYoung, 2019-04-17 Christians love to celebrate grace but often talk about it in vague generalities But such an important biblical concept ought to be clearly defined so it can be consistently defended In this book best selling author Kevin DeYoung points modern readers back to an old document originally written to do just that Warmly pastoral and broadly accessible this book introduces readers to the Canons of Dort a 17th century work summarizing the central doctrines of the Christian faith Widely regarded as a key pillar of the Reformed tradition the Canons of Dort stand as a faithful witness to God s grace offering a depth of

understanding that the church still needs today In three concise sections covering history theology and practical application DeYoung explores what led to the Canons and why they were needed the five important doctrines that they explain and their place in the Reformed tradition today *The Bible for Home and School*, 1910 **The Works of Aurelius Augustine** Saint Augustine (of Hippo), 1873 *The Power of Grace* Larry Ollison, 2025-08-05 Overcome the Impossible with the Power of God's Grace Have you ever been told that grace is just unmerited favor While that's true grace is far more than that Grace is God's divine power given freely to empower you to overcome what you could never conquer on your own In this transformative book best selling author Dr Larry Ollison unpacks the deeper truth about God's grace It is the supernatural strength you need to break free from the toughest challenges in your life including the battles you face within yourself Like Paul who was told My grace is sufficient for you you will discover how to fully access this gift and walk in true freedom Through this powerful resource you will Overcome the deepest struggles by experiencing grace as the key to victory Learn to boldly approach the throne of grace and receive God's empowerment to say no to sin and temptation Break free from the lie that grace is a license to sin and discover it as the unstoppable force that empowers you to live in true freedom Gain confidence in God's sufficiency to meet every challenge in your life The grace of God is your gateway to breakthrough and victory Start tapping into this incredible gift today and watch your life transform as you experience His power working through you **The Blueprint of Faith** Ken Primus, 2006-04-04 Why do you believe in God Whether you desire healing professional success or inner peace The Blueprint of Faith demonstrates how God makes promises to his children and provides explicit directions on how to ensure they are fulfilled in your life In this introspective life affirming book author Ken Primus reveals the seven principles he used to receive his own promises from God grace hope faith persistence patience persuasion and praise and then clearly shows you how to apply each principle to your daily life Primus interjects many of his own spiritual experiences into the chapters and also fully explores the enemies of faith lack of knowledge unbelief doubt and fear In the final chapter Primus shows you how to put it all together how to live by faith and how to apply the truths to your everyday life The Blueprint of Faith is a spiritual resource for those who are ready to trust in the power of God and live a more faithful life **God's Strategy in Human History** Paul Marston, Roger Forster, 2001-07-01 Forster and Marston have delivered a stellar book that attempts to present an exegetical and Scriptural framework for the content presented in the book Instead of beginning from a set of deductive theological assumptions and then attempting to support that system from Scripture Forster and Marston examine Scripture and attempt to build their case directly from the text The authors unabashedly admit that their views are very similar to those of Arminian and Wesleyan traditions but they state in the beginning of the book that they do not want to be labeled with these names but want to construct a theology that is in line with the teachings of the first 300 years of Christianity Anyone who reads their appendix will come to understand that the teachings presented in this book were the orthodox consensus of the early Church for the first 300 years and that it was

Augustine who introduced serious deviations into the mainstream orthodox Christianity of his time Forster and Marston begin by describing the battle that is being waged between God and the spiritual forces that oppose Him They examine the book of Job and see how this relates to the overall struggle Then the authors examine the 9th chapter of Romans to see if this book is dealing with election and individual destinies or God s actions within human history The authors do an excellent job of arguing for their opinion that this chapter is speaking about God s involvement in human history and it deals with God s choosing of one nation or individual over another nation or individual to accomplish His purpose Other sections of interest in this book are the sections on foreknowledge and predestination and the chapters on faith and works The section on faith and works was particularly interesting because it relies on much of the teaching of the new perspective which has shed much light on how a 1st century Palestinian Jew would have approached Scriptural issues The research argumenation and exegesis in this book are solid so every chapter is excellent but the ones mentioned above were two of my favorites Amazon com

**Christian Faith and Life** ,1926 **A Radical Faith** James W. Goll,2011-09-01 Bestselling Author s Essential Faith Handbook for Every Spirit Filled Christian The writer to the Hebrews itemizes the elements of a firm spiritual foundation These fundamentals must be built into the foundation of every Christian so he or she will not collapse in the face of life s storms When Christians are shaky in their beliefs they become vulnerable in the fight against hell Yet the enemy as the psalmist pointed out is constantly shooting at their foundations What can they do They can fortify their foundations says James W Goll one of the most respected leaders in the renewal movement In the only book study guide combination on the topic he lays out the biblical elements of a firm foundation from Hebrews 6 including faith in God the baptism with the Holy Spirit resurrection from the dead and more His clear conversational approach equips both new and veteran Christians with the tools they need to establish an unshakable foundation *Losing Faith* Niki Hershey Knisley,2019-03-13 Faith Brooks is a typical teenaged pastor s kid until she does the unthinkable and moves in with Gabe an edgy musician and nonbeliever seemingly closing the door on her past forever After Faith abandons them the Brooks family is left to pick up the pieces unsure if they ll ever see her again While coping with Faith s unsettling desertion each family member separately wrestles with feelings of betrayal anger and fear The chaos that ensues threatens everything they have ever believed about themselves God and the world around them As Faith struggles to find her way in a scary new world without a support system

her family desperately searches for the reasons why she was driven to commit such a treacherous act In losing Faith now the possibility looms that they might also lose their own Losing Faith is a compelling modern day tale of loss love and the enduring power of faith as a teenage girl escapes her reality to explore a world devoid of God s influence leaving her heartbroken family to wonder why **The Catholic Faith** William Henry Griffith Thomas,1929
