## **Goodreads Choice Tips Setup:**

The Newbie Author's Survival Guide A.K. Taylor,2016-11 After crash landing into self publishing with nothing but the clothes she had on author AK Taylor fought for survival with trying to market her books on a small budget After two years of trial and error reworking refining and reaching out she has created the first survival guide for book marketing compiled of great tools and resources that can be used by any author during the rough times Comparing the book marketing wilderness with the real wilderness is how Taylor viewed the publishing world around her Growing up in the woods and learning survival skills has given her this unique viewpoint for a different kind of world When she started her search for information a book marketing survival guide didn't exist until now Short Have you ever been lost in the wilderness Being lost in the wilderness is more dangerous and scarier than being lost anywhere else and more things can happen Book marketing is just like being lost in the real wilderness with pitfalls dangerous plants and animals and knowing what is needed to survive during the rough times Using outdoor survival skills and applying them to book marketing AK Taylor has created the first survival guide for book marketing on a small budget

**An Author's Guide to Goodreads** Barb Drozdowich,2018-02 Do you need to connect with readers but find you waste valuable writing time trying to figure out Goodreads Many authors struggle to master the Goodreads site and many will give up before tapping its true potential Don't let this happen to you With 50 million account holders and almost 8 000 book clubs from every country in the world this site should be part of every author's platform Technical trainer Barb Drozdowich brings decades of teaching experience and breaks down this Reader Heaven into understandable sections By using a combination of a how to book and an easy to follow video demonstration course she provides clear instruction for every type of learner Feedback from authors just like you I found this book very helpful in giving me an overview of Goodreads and the paths by which to navigate what had long been a deep forest into which I dare not venture Eileen Goudge Barb did a good job covering all the bases She didn't promise a get rich quick scheme as some do of this genre She did explain all the tools and how to use them William Joiner This book will demonstrate how to create a strong profile that convinces readers to buy show hidden gems of functionality that help authors keep in contact with interested readers illustrate networking opportunities share how to tie the power of the author blog and other social media to Goodreads for increased marketing effectiveness reveal how to optimize your time on Goodreads This book and video course will demonstrate how to create a robust presence network with millions of readers and do so in an effective time saving manner Pick up a copy and start marketing effectively today

**Library Programs and Services for New Adults** Kyla Hunt,2017-10-06 Addressing the needs of new adults those ages 18 29 in the library is an important challenge This book explains the needs and wants of new adults in the public library setting and identifies their preferences in physical space programming and technology According to the Pew Research Center's 2015 Libraries at the Crossroads Report 52 percent of people between the ages of 16 and 29 visited a bookmobile or library within the past year Yet many public libraries

programming and outreach skip over this demographic jumping from teen services to older adults Library Programs and Services for New Adults provides a road map for including new adults into the family of the small public library and offers a variety of resources and programming ideas that librarians can use immediately Author Kyla Hunt a library technology and trends specialist explains why the needs of new adults are typically overlooked at public libraries defines who new adults are and explains why serving their needs is key to the success of today's public libraries Readers will come away with an in depth understanding of the mindset and needs of patrons who are 18 to 29 years old and be able to cater to their preferences as they pertain to physical space programming technology and marketing
