PSA - You shouldn't pay anyone to help with your student loans

We get this question all the time, so here's a PSA/Sticky.

Text from [/u/betsy514](#):

There is almost never a reason to pay anyone for help with your student loans. There isn't a person or entity on the planet that can get you a lower payment or forgiveness that you can't get for yourself - for free - by working with your loan holder or the various free resources.

There is usually nothing illegal about these services - unless they are deceptive as to what they are offering. They are simply document processing services. They do not have magic wands or special contacts or intel on the student loan industry.

If it sounds too good to be true it is. If they say they are associated with the feds or your loan servicer - they probably aren't.
