## **Correction Thomas Bernhard:**

**Correction** Thomas Bernhard, 2013-01-23 The scientist Roithamer has dedicated the last six years of his life to the Cone an edifice of mathematically exact construction that he has erected in the center of his family's estate in honor of his beloved sister Not long after its completion he takes his own life As an unnamed friend pieces together literally from thousands of slips of papers and one troubling manuscript the puzzle of Roithamer's breakdown what emerges is the story of a genius ceaselessly compelled to correct and refine his perceptions until the only logical conclusion is the negation of his own soul Considered by many critics to be Thomas Bernhard's masterpiece *Correction* is a cunningly crafted and unforgettable meditation on the tension between the desire for perfection and the knowledge that it is unattainable *Correction* Thomas Bernhard, 1983 Considered by many critics to be Bernhard's masterpiece *Correction* is a cunningly crafted and unforgettable meditation on the tension between the desire for perfection and the knowledge that it is unattainable **Thomas Bernhard's Afterlives** Olaf Berwald, Stephen D. Dowden, Gregor Thuswaldner, 2020-10-01 In his prose fiction memoirs poetry and drama Thomas Bernhard 1931-1989 one of the 20th century's most uniquely gifted writers created a new and radical style seemingly out of thin air His books never tell a story in the received sense Instead he rages on the page he rants and spews vitriol about the moral failures of his homeland Austria in the long amnesiac aftermath of the Second World War Yet this furious prose seemingly shapeless but composed with unparalleled musicality and taxing by conventional standards has been powerfully echoed in many writers since Bernhard's death in 1989 These explorers have found in Bernhard's singular accomplishment new paths for the expression of life and truth Thomas Bernhard's *Afterlives* examines the international mobilization of Bernhard's style Writers in Italian German Spanish Hungarian English and French have succeeded in making Bernhard's Austrian vision an international vision This book tells that story **The Sick List** Ansgar Allen, 2021-06-30 *The Sick List* is about menace about a menace Gordon and is written in the voice of a menace It reads like one of the pen portraits of surreal ultra violence in Bernhard's *Gargoyles* where education turns out to be the most deceitful panacea of all Katharine Craik In this novel an unnamed academic in an unnamed contemporary university relates his obsession with his tutor Gordon He pores over the increasingly bizarre misreadings in Gordon's annotations in a strange selection of stolen library books Is Gordon unraveling a mystery Or is his own mind unraveling Meanwhile an epidemic of catatonia breaks out academics are found slumped and unconscious at their desks Is reading itself the cause of this sickness Is the only escape to return to illiteracy Witty moving and beautifully written *The Sick List* plays with the dividing line between deploring and exemplifying what it most despises Inspired by the work of the Austrian novelist Thomas Bernhard it considers how the minds of educated people are moulded by both the breadth of literary culture and the narrowness of academic institutions *The Sick List* operates on the far side of literature John Schad *Beyond Criticism* Editions is the reincarnation of the *Beyond Criticism* book series originally published by Bloomsbury and now part of Boiler House Press

own experiments with the radical new forms that literary criticism might take in the 21st century **Aphasia** Mauro Javier Cárdenas, 2020-11-03 Mauro Javier Cárdenas the critically acclaimed author of *The Revolutionaries Try Again* an original insubordinate novel New York Times pens a profound story of literature about a man coming to terms with his dysfunctional Colombian family as well as his own behavior as an immigrant in America Antonio wants to avoid thinking about his sister even though he knows he won't be able to avoid thinking about his sister because his sister is on the run after allegedly threatening to shoot her neighbors and has been claiming that Antonio Obama the Pentagon and their mother are all conspiring against her Nevertheless Antonio is going to try his best to be as avoidant as possible because he worries that what's been happening to his sister might somehow infect his relatively contented ordered American life and destabilize the precarious arrangement with his ex wife that's allowed him to stay close to his two daughters In fact he's busy doing everything except facing his problems head on transcribing recordings of his mother speaking about their troubled life in Colombia transcribing recordings of his ex wife speaking about her idyllic life in the Czech Republic writing about former girlfriends whose words and deeds still recur in his mind rereading stories by American writers that allow him to skirt the subject of his sister's state of mind without completely destroying his own Written in long unravelling sentences that accommodate all the detritus of thought scenes real and imagined headphones and heartache Toblerones and Thomas Bernhard *Aphasia* captures the immensity of the present moment as well as the pain of the past It cements Mauro Javier Cárdenas's place as one of the most innovative and extraordinary novelists working today [Negation, Critical Theory, and Postmodern Textuality](#) D. Fischlin, 2013-06-29 *Negation Critical Theory and Postmodern Textuality* features 14 new essays by leading specialists in critical theory comparative literature philosophy and English literature The essays which present wide ranging historical considerations of negation in light of recent developments in poststructuralism and postmodernism range over many of the significant texts in which negation figures prominently The book includes a wide ranging introductory chapter that examines how attention to negation the inescapable nescience that is posited in any and every linguistic expression enhances the hermeneutic possibilities present in language In addition the four sections of the book bring together major critical interventions on among others negative meaning unrecognizability elenctic negation apocalypse nihilism negation and gender and denegation All the essays involve close attention to key texts by major authors including William Shakespeare Henry James Federico García Lorca Samuel Beckett Thomas Bernhard Walt Whitman E M Forster Mary Shelley Margaret Atwood Roland Barthes Douglas Barbour Paul de Man bp Nichol Jacques Derrida and Dogen Kigen The volume opens up new areas in critical theory comparative literature and the philosophy of language and defines a major new area of inquiry in relation to notions of postmodern textuality Critical theorists students of comparative literature English literature and the history of ideas and those interested in the hermeneutic implications of postmodernism will find this volume of substantial interest Its extensive bibliographical apparatus and index make the collection a valuable reference tool

for upper level undergraduate and graduate students as well as for those seeking a variety of interpretive approaches to the problem of negation in literature

*Performance* David Coventry, 2024-06-13 *Performance* is a self portrait like no other David Coventry takes us into his experience of ME a debilitating systemic disease which took hold in March 2013 but has roots in his childhood For Coventry ME radically overturns the rules of time thought and embodiment an experience which has shaped the writing of this book Through an illuminating blend of life transcription and deep imaginative projection he shows how placing fiction into the stories of our damaged lives can remind us of who we are and who we might have been even when so much of us has been taken away by illness From a mountaineering disaster in Kaikoura to a literary encounter in Austria a country mansion to a volcanic archipelago this novel is a strikingly vivid at times disorienting series of journeys stopovers and emergencies that take in the world one in which Coventry is often an outsider even when at home in Wellington With purposeful unreliability and flashes of humour amid pain and searching *Performance* takes us into a space where reading itself fails as a description of how we meet the text This is a generous unforgettable vista of life within illness

Markus Schinwald Markus Schinwald, 2007 The content and layout of this idiosyncratic publication by Vienna based Markus Schinwald leave the conventional exhibition catalogue behind it s styled instead after a late nineteenth century encyclopedia Illustrations and comments by Schinwald accompany an extensive library of terms on the subject of lexicons
