Face Up With A Miracle:

Exorcism and Deliverance William K Kay, Robin Parry, 2011-04-01 A significant examination of exorcism and deliverance from a range of disciplines focuses on an important but often neglected area of the church's mission to the world. The diversity of essays makes sure that every facet is presented to encourage the reader thoroughly to consider this aspect of the church's approach to evil in our society. Since Jesus of Nazareth made exorcism a cornerstone of his own ministry, the Church has seen itself as engaged in a battle against the demonic. Exorcism has continued to play a role throughout Christian history in this conflict, although it has received different emphases in different times and places and has been practiced in a range of different ways. *Exorcism and Deliverance* aims to shed new light on the phenomena of possession and exorcism by looking at them from a range of disciplinary perspectives.

Little Missy Martha Black, 2023-02-21 Little Missy had been in bed for weeks with Guillain Barre syndrome, fatigue, and depression. Her father, frightened for her, asked, "What will make you happy?" Little Missy said, "No one has time to spend with me. Hours of time. If a companion will make you happy, I'll move heaven and earth to find you." One day later, Sammy knocked, entered, then jumped up on Little Missy's bed. She informed her that she was going to help her walk again. When asked how, she replied, "With miracles, lots and lots of miracles." Little Missy had never met anyone like Sammy before, and before she knew it, she was knee-deep in miracles: the miracles of fresh air, exercise, movement, love, patience, and others. Sammy was so full of joy that she created days that were so much fun that Little Missy had no time for depression. Soon, Little Missy was sitting up in bed, then going outside in a wheelchair, and finally riding her horse, Ebony. But the final glory was when she stood to use parallel bars to take her first steps in months. Mr. Fullington was so grateful that he wanted to do something for Sammy that would be meaningful to her. Little Missy gave him a plan because she knew of Sammy's deep desire to be a veterinarian. They took Sammy to see their vet, who offered her a Saturday job until she graduated from high school, after which she was to have a full scholarship to a veterinarian college. Sammy danced with great joy. Finally, she stopped and hugged Little Missy and whispered, "Can I call you by your name? You're way too old to be a Little Missy."
