Answer the questions in the spaces provided on the question sheets. If you run out of room for an answer, continue on the back of the page. Show an appropriate amount of work (including appropriate explanation) for each problem, so that graders can see not only your answer but also how you obtained it. Include units in your answer when possible. You may receive 0 points for a problem where you show no work.

Instructions:

1. Do not open this exam until you are told to do so.
2. No books or notes may be used on the exam.
3. Credit or partial credit will be given only when the appropriate explanation and/or algebra is shown.
4. Make sure your answer is clearly marked.
5. Read and follow directions carefully.
6. This exam has 10 questions, for a total of 150 points. There are 10 pages. Make sure you have them all.
7. You will have 120 minutes to complete the exam.
8. All cell phones and electronic devices (other than calculators) should be turned off and put away during the exam.
9. Do not separate the pages of this exam. If they do become separated, write your name on every page and point this out to your instructor when you hand in the exam. You do not need to turn in the last page.
10. You may only use an approved calculator on the exam. If you have a problem with your calculator, raise your hand.
11. If you use graphs or tables to find an answer, be sure to include an explanation and sketch of the graph, and to write out the entries of the table that you use.
