Patriotism and Nation Building Laryea, Philip Tetteh,2017-10-04 The deepest and most significant aspect of the heritage of any nation lies in her people A people s dignity worth and value can be measured by their human resources More important than mineral wealth more significant than financial capital and of more value than land and property are the leaders of thought and character that a communal or social group can lay claim to Towering above the tallest buildings reaching deeper than the roots of ancient trees are society s icons doyens of a people s life and culture Often unrecognized in their lifetime sometimes vilified or else silenced by political forces these persons represent a people s legacy and gift to humankind Such was Dr Ephraim Amu native of Peki Avetile son of West Africa s Gold Coast scholar teacher musician ethicist and preacher In this book Prof Laryea has by careful and detailed research rendered an invaluable service to posterity in unearthing and making available the life works and public speeches of Dr Ephraim Amu Thoughtfully selecting over sixty of Amu s sermons spanning a period of 50 years 1937 1986 Laryea enables us to more deeply enter the inner thoughts and expressions of one of Ghana s most illustrious sons thus allowing us into the veritable engine room of the composer of Ghana s national song Y n ara asase ni crafted by Amu in 1929 In doing so he has also opened up and thrown light upon very significant periods in the nation s history *George Buttrick's Guide to Preaching the Gospel* Charles N. Davidson JR,,George A. Buttrick,2020-08-18 Does the preacher now impress us as a legate of the skies To many he is a pathetic figure an anachronism a stage joke an inoffensive little person jostled by the crowd and wearing the expression of a startled rabbit With one hand he holds a circular hat on a bewildered head and with the other desperately clutches an umbrella The crowd pushes him from the sidewalk the traffic shoots him back into the crowd Some curse him a few laugh most are unaware of his existence George Buttrick Lyman Beecher Lectures 1931 Whether we need preaching has been asked for hundreds of years long before an age of media saturation from streaming 24 hour news entertainment politics and sports This question hounded George Buttrick one of the most profound preachers of the twentieth century and often compared with Billy Graham Buttrick offers a compelling answer to the question but his answer remained hidden for 40 years until now In George Buttrick s Guide to Preaching the Gospel we learn why the world needs competent preachers what the preacher must preach about and how the preacher goes about creating the sermon with daily discipline and several practiced skills including research charting outlining writing and performance These writings have never been published before and were found by his grandchildren after his death A brief biography of Buttrick introduces this master orator and professor to readers who do not know his work *Resurrecting the Trinity* M. James Sawyer,2018-08-28 The doctrine of the Trinity confounds many Christians Because they do not have a proper understanding of this truth they therefore lack the means to make it meaningful in their theology worship and everyday life Resurrecting the Trinity wants to change this In non academic prose this book explains the fuzziness and apathy surrounding the Trinity It provides a fascinating and erudite

journey as to how it got this way and then goes on to show how it is the center of everything and how this glorious doctrine exudes with love vitality and richness An expert in historical and systematic theology the author contends that the existence of God as Trinity was the central affirmation of the ancient church and the truth from which all other theological understanding flowed However for us Western Christians both Protestant and Catholic the Trinity has faded into obscurity the light shed by its reality dimmed to the point of nearly flickering out While we still verbally affirm the truth of the Trinity for all practical purposes we have lost its meaning and in the process lost the biblical picture of Jesus Christ as Lord of creation as well Were we to deny the Trinity altogether it is doubtful much would change in our churches on a day to day basis

Daniel: Many Visions, One Prophecy Steven Ortlepp, **The Literal Interpretation of the Sermon on the Mount** Marcus Dods, James Denney, James Moffatt, 2016-02-06 How should the words of Jesus be taken Literally Figuratively Somewhere in between Many Christians have been confused by the strangeness of many of Jesus commands by the apparent extremism that they seem to promote The words of Jesus as we have them recorded for us in the four Gospels have been interpreted by everyone from Catholics to Protestants to Anabaptists and everyone seems to come away with a different sense Is there a way through the morass of opinion on this subject If Jesus is truly the Captain of our Ship then surely it is of the utmost importance that we be certain not only of the actual words of the Gospels but also of the correct interpretation Christians are divided on whether it is possible but here we have not only one but three eminent turn of the century Christians scholars taking this subject head on They take for their case the famous or is that infamous Sermon on the Mount *a new translation* James Moffatt,
