The Sensual Home Ilse Crawford, 1998 Interior decoration creating private havens that soothe and enhance each of the senses

The RIP James Bèyor, 2016-06-03 The Quest To pass through conscript meaning enter the emotional sensorial parallel feel deeply and bring forth the full essence of whole consciousness Born With Five Perfectly Balanced Senses the human mind is bathed in dynamic sensing In mathematical terms this represents five to the fifth power conscious awareness Are you aware that the creature being exists within an encoded emotional first voice that is immediately activated at birth Is Fear Your Friend or Enemy When fear is your enemy you lose your essence Did you know that knowledge has no essence Do You Think Your Feelings Belong To You They do not via psychological implant losses or gains are predetermined circumstances governed by the word sanction given to others What Makes The Idea Of Truth a Hypocrisy Can you define fact as anything more than mental impasse or define truth as more than paradoxical conscription The Word Language is a mono dimensional syllabus and noun verb inversion that is unfit for an essenced creature the human being Are you using your first voice to access total consciousness rather than remembering performance rated acts How do you stimulate and use this natural treasure Once you learn how to enter the world of emotion your feelings will evolve and take flight The RIP will remain as one of the most important fresh and poignant works to eclipse this century Until you read The RIP who and what you are will never be as clear

[The senses in interior design](#) John Potvin, Marie-Ève Marchand, Benoit Beaulieu, 2023-09-05 The senses in interior design examines how sight touch smell hearing and taste have been mobilised within various forms of interiors The chapters explore how the body navigates and negotiates the realities of designed interiors and challenge the traditional focus on star designers or ideal interiors that have left sensorial agency at the margins of design history From the sensually gendered role of the fireplace in late sixteenth century Italy to the synaesthetic d cors of Comte Robert de Montesquiou and the sensorial stimuli of Aesop stores each chapter brings a new perspective on the central role that the senses have played in the conception experiences and uses of interiors

Philosophical Perspectives on Contemporary Ireland Clara Fischer, Aine Mahon, 2019-11-25 This is the first book to bring a philosophical lens to issues of socio political and cultural importance in twenty first century Ireland While the social political and economic landscape of contemporary Ireland has inspired extensive scholarly debate both within and well beyond the field of Irish Studies there is a distinct lack of philosophical voices in these discussions The aim of this volume is to enrich the fields of Philosophy and Irish Studies by encouraging a manifestly philosophical exploration of contemporary issues and concerns The essays in this volume collectively address diverse philosophical questions on contemporary Ireland by exploring a variety of themes including diaspora exile return women s bodies and autonomy historic injustices and national healing remembering and commemoration institutionalization and containment colonialism and Ireland as home conflict and violence Northern Ireland and the peace process nationalism patriotism and masculinities ethnicity immigration and identity and translation art and

culture Philosophical Perspectives on Contemporary Ireland marks a significant contribution to contemporary theorizations of Ireland by incorporating both Irish and transatlantic perspectives It will appeal to a broad audience of scholars and advanced students working in philosophy Irish Studies feminist theory history legal studies and literary theory Beyond academia it will also engage those interested in contemporary Ireland from policy and civil society perspectives

Exploring Everyday Life Billy Ehn,Orvar Löfgren,Richard Wilk,2015-07-23 The numerous tasks and routines that shape our daily existence can seem mundane even invisible and yet they play an extremely powerful role in structuring and reproducing society Exploring Everyday Life casts light on these so called trivialities serving as both a guide to the invisible world of the everyday and an instruction manual for first time explorers Ehn Lofgren and Wilk demonstrate how to use a broad array of ethnographic tools to discover map and document new and unexplored territories and guide readers through the process of cultural analysis Their concrete examples shed light on how a study or paper assignment can evolve and point to how cultural analysis of everyday life can be practically applied in business government and other arenas outside of academia
