Misfit Gary Gulman, 2023-09-19 One of my favorite books of all time. Amy Schumer: A tour de force of comedy and reflection about the perilous journey from kindergarten to twelfth grade and beyond from the

beloved stand up comic and creator of The Great Depresh For years Gary Gulman had been the comedian s comedian acclaimed for his delight in language and his bracing honesty But after two stints in a psych ward he found himself back in his mother s house in Boston living in his childhood bedroom at age forty six as he struggled to regain his mental health That s where Misfit begins Then it goes way back This is no ordinary book about growing older and growing up Gulman has an astonishing memory and takes the reader through every year of his childhood education with obsessively detailed stories that are in turn alarming and riotously funny We meet Gulman s family neighbors teachers heroes and antagonists and get to know the young comedian in the making who is his own worst and most persistent enemy From failing to impress at grade school show and tell to literally fumbling at his first big football game in settings that take us all the way from the local playground to the local mall from Hebrew School to his best and only friend s rec room young Gary becomes a stand in for everyone who grew up wondering if they would ever truly fit in And that s not all the book is also chock full of 80s nostalgia Scented Markers indifference to sunscreen mall culture Misfit is a book that only Gary Gulman could have written a brilliant witty poignant laugh until your face hurts memoir that speaks directly to the awkward child in us all
