monetize your page to make thousands of dollars every month WHAT YOU WILL GET All the basics on successfully creating your first page Growing Strategies I use to grow my pages Make your posts stand out Attract more followers organically Get the right followers for you Use hashtags the RIGHT way Pick ideal posting times Understand the Instagram algorithm Engage and connect with your audience Properly sell your products services Grow your business Monetize your page to make money This book will take you in depth as to how Instagram can be used to propel your business and create a brand presence in 2021 Join the discovery *The InstaGuide* C. J. Hallock, 2017-07-31 Instagram has grown to be one of the largest social media platforms With over 700 million monthly users it is the gateway between you and your soon to be customers or clients I knew I needed to figure out Instagram So I started doing some research That research went from just looking at a few blog posts and Instagram accounts into a massive passion project While I did start this as a blog post The Ultimate Guide to Instagram it continued to grow the more research I did To date I have over 250 hours of research into Instagram I found that none of the blog posts books or reports I read had much outside of a few hacks or one specific thing This frustrated me so I started to piece every piece of information I could find on Instagram together After that blog post passed 6 000 words I decided to finish it as a book so I can have all this information in one location that is easy for people to keep on hand So follow along in this Instagram Guide and learn the basics and more The following are some of the topics covered within the InstaGuide How to create an Instagram account How to use analytics Business Tools within Instagram What do I post to Instagram What are hashtags and how do I use them What should I post in my Instagram captions What is a GeoTag How often should I post on Instagram Should I repost other peoples posts on Instagram What can I do with an Instagram video What do I do after I post to Instagram What is Instagram Stories How do I use Instagram Live How to use Instagram Direct Messages That is not all I have also include some of the best Instagram hacks to grow your following and increase your engagement online This book also comes with some FREE bonus content including Video trainingsPDF sPhotoshop Templates for Instagramand so much more The bonus package is web hosted so you will be able to have 24 7 access to it It will also allow me to keep updates and other tools you need available for you **Instagram Marketing Algorithms** Michael Gates, 2020-10-06 The way brands communicate with their existing and target audience has undoubtedly transformed One of the main reasons for this transformation is the increase in the popularity of social networking platforms These days an increasing number of brands are using visual media for communicating their brand s message Social media has certainly revolutionized our lives Instagram has stood the test of time and is now one of the most popular social networking platforms today So if your brand isn t already on Instagram then there is no time like the present to get started Instagram has been around for a while but not a lot of people know how to make the most of its features The creators of this platform keep introducing new features along with changes to the algorithm So it is quintessential that you stay on top of all the updates In this book you will learn about the things you need to increase your following on Instagram so you can maximize your profits

You will be given information about the different benefits you can reap by using Instagram You will learn about various tips for choosing the perfect Instagram name and tricks to optimize your brand s Instagram profile Apart from this you will also learn about specific strategies for building your niche on Instagram and thoroughly engage your audience Marketing on Instagram and how you can increase your following are also discussed in detail in this book A combination of all these factors will ensure that your brand makes the most of all that Instagram has to offer You will want to make sure that whatever strategy you start to use on Instagram is going to keep the focus on the brand that you have built and how that brand sees the world Instagram is great for sharing videos and photos so make sure that when you connect the business with your followers make sure that it stays consistent with your brand rather than straying away or showing things that just don t go together Use your brand or company name in hashtags the hashtags that you pick don t have to be complicated If you already have a pretty good following on Instagram or your brand name is well known go ahead and use this as one of your hashtags This will make it easier for your followers to find you because they can just search the name and find some of your posts Make a follower famous it is not just about your followers checking out your posts it is about how you interact with your followers Take the time to look over the pages of your followers and then like and share some of their posts This helps to show the customers that you really appreciate them because you are acknowledging their cool posts and sharing them with others on your page Be careful with this one though because some may be personal and you should always ask for permission beforehand if you are unsure whether they would like it shared or not So if you are ready to learn more then let us get started immediately
