Harcourt School Publishers Staff,Julia Devanthery,1999-08 **Student text** Eileen Berry,L. Michelle Rosier,Robin E. Scroggins,Bob Jones University Press,2007 The Phonics Review book reinforces basic phonics skills using meaningful illustrations and photos with fun activities to engage the child Phonics Review is divided into six units with various themes of going places The first two units provide practice in phonemic awareness Each of the remaining units focuses on a different set of phonics skills combined with an emphasis on comprehension New skills are reviewed with story booklets and creative writing activities This book is designed as a supplement for the student who is struggling in some area of phonics or was never taught the basic phonics concepts It may also be a tool for ESL students as they learn to identify the sounds and varied spellings of words in the English language Publisher *Phonics Skills* ,1982 Intended for student use at home as a supplement to schoolwork or at school as a phonics text this workbook presents the most common and regular sounds of vowels The short vowels are presented first The lesson for each vowel consists of six pages of exercises On the first page the vowel sound is introduced by a cartoon On the second and third pages students learn to recognize the short vowel sounds by saying the names of pictures and completing short vowel words The remaining three pages of the lesson provide practice in using the vowel sound in context The second half of the workbook deals with long vowel sounds which are presented in the same manner as the short vowel sounds except that the different spellings for each of the vowel sounds are treated individually to aid in the students recognition of the long vowels There are three reviews in the workbook one for the short

vowels one for the long vowels and a general review MG
