**Media and Culture** Richard Campbell, Christopher R. Martin, Bettina Fabos, 2011-02-23 It s no secret today s media landscape is evolving at a fast and furious pace and students are experiencing these developments firsthand While students are familiar with and may be using the latest products and newest formats they may not understand how the media has evolved to this point or what all these changes mean This is where Media and Culture steps in The eighth edition pulls back the curtain and shows students how the media really works giving students the deeper insight and context they need to become informed media critics

**The Anti-Heroine on Contemporary Television** Molly J. Brost, 2020-11-24 In The Anti Heroine on Contemporary Television Transgressive Women Molly Brost explores the various applications and definitions of the term anti heroine showing that it has been applied to a wide variety of female characters on television that have little in common beyond their failure to behave in morally correct and traditionally feminine ways Rather than dismiss the term altogether Brost employs the term to examine what types of behaviors and characteristics cause female characters to be labeled anti heroines how those qualities and behaviors differ from those that cause men to be labeled anti heroes and how the label reflects society s attitudes toward and beliefs about women Using popular television series such as Jessica Jones Scandal and The Good Place Brost acknowledges the problematic nature of the term anti heroine and uses it as a starting point to study the complex women on television analyzing how the broadening spectrum of character types has allowed more nuanced portrayals of women s lives on television

**Authenticating Whiteness** Rachel E. Dubrofsky, 2022-11-29  
In *Authenticating Whiteness* Karens Selfies and Pop Stars Rachel E Dubrofsky explores the idea that popular media implicitly portrays whiteness as credible trustworthy familiar and honest and that this portrayal is normalized and ubiquitous Whether on television film social media or in the news white people are constructed as believable and unrehearsed from the way they talk to how they look and act Dubrofsky argues that this way of making white people appear authentic is a strategy of whiteness requiring attentiveness to the context of white supremacy in which the presentations unfold The volume details how ideas about what is natural good and wholesome are reified in media showing how these values are implicitly racialized Additionally the project details how white women are presented as particularly authentic when they seem to lose agency by expressing affect through emotional and bodily displays The chapters examine a range of popular media newspaper articles about Donald J Trump a selfie taken at Auschwitz music videos by Miley Cyrus the television series *UnREAL* the infamous video of Amy Cooper calling the police on an innocent Black man and the documentary *Miss Americana* pinpointing patterns that cut across media to explore the implications for the larger culture in which they exist At its heart the book asks Who gets to be authentic And what are the implications
