Netflix Usa Open Now:

Streaming Video in the Global South Shakti Jaising, Hadi Gharabaghi, 2026-01-22 This collection provides the first book length study of how audiovisual streaming is reshaping media ecologies and cultural life across the global South including Asia North Africa and South America *Television's Streaming Wars* Arienne Ferchaud, Jennifer M.

Proffitt, 2023-11-03 This volume addresses contemporary debates and trends regarding the production and distribution content and audience engagement with the television streaming industry The book interrogates the economics and structure of the industry questions the types and diversity of content perpetuated on streaming services and addresses how audiences engage with content from US and global perspectives and within various research paradigms Chapters address the television streaming wars including the debates and trends in terms of its production and competition diversity and growth of programming and audience consumption focusing on multiple platforms content and users This timely and creative volume will interest students and scholars working in television studies media industry studies popular culture studies audience studies media psychology critical cultural studies and media economics **Translating Spanglish in US Latinx**

Audiovisual Stories Remy Attig, Roshawnda A. Derrick, 2025-06-27 This collection showcases interdisciplinary perspectives on how Spanglish is translated across different forms of audiovisual media for different audiences in the US Latinx content The volume explores the ways in which Spanglish is used in American media to portray the hallmark linguistic characteristics of the communities in which they are set but also the different scholarly approaches employed to analyze them in existing research The first section looks at the interplay of code switching translanguaging and linguistic identity in television shows and films but also podcasts music and other emergent forms of media The second part examines US Latinx stories through the lens of translation studies with chapters showcasing different lines of inquiry within contemporary translation scholarship including accessibility via captioning and interlingual translation through subtitling and dubbing Taken together the volume offers a holistic view on how Spanglish is translated in US Latinx stories towards paving the way for future research in this context but also on multilingual and translingual audiovisual stories more broadly This book will be of interest to scholars in sociolinguistics translation studies language and media media studies and Latinx studies *The Routledge Handbook of*

Digital Media and Globalization Dal Yong Jin, 2021-05-12 In this comprehensive volume leading scholars of media and communication examine the nexus of globalization digital media and popular culture in the early 21st century The book begins by interrogating globalization as a critical and intensely contested concept and proceeds to explore how digital media have influenced a complex set of globalization processes in broad international and comparative contexts Contributors address a number of key political economic cultural and technological issues relative to globalization such as free trade agreements cultural imperialism heterogeneity the increasing dominance of American digital media in global cultural markets the powers of the nation state and global corporate media ownership By extension readers are introduced to core

theoretical concepts and practical ideas which they can apply to a broad range of contemporary media policies practices movements and technologies in different geographic regions of the world North America Europe Africa the Middle East Latin America and Asia Scholars of global media international communication media industries globalization and popular culture will find this to be a singular resource for understanding the interconnected relationship between digital media and globalization

Competing for Kids Kelly E. Middleton,2018-07-12 When was the last time you reflected on the quality of customer service your school gives to your students As alternate forms of education become more prominent public education faces the challenge of losing its best and brightest students to the competition *Competing for Kids* is a full service manual for giving great customer service throughout your school district By implementing the concepts in this book public schools can become more appealing and more successful in retaining and attracting students *Competing for Kids* teaches How the best companies use customer service to compete at the highest level How these twenty one business concepts can help public schools better compete with other forms of education How to develop a district wide customer service plan for all staff members working in the public school arena
