**Perpetual Motion** Harmony Bench,2020-03-10 A new exploration of how digital media assert the relevance of dance in a wired world How has the Internet changed dance Dance performances can now be seen anywhere can be looped endlessly at user whim and can integrate crowds in unprecedented ways Dance practices are evolving to explore these new possibilities In *Perpetual Motion* Harmony Bench argues that dance is a vital part of civil society and a means for building participation and community She looks at how after 9 11 it became a crucial way of recuperating the common character of public spaces She explores how crowdsourcing dance contributes to the project of performing a common world as well as the social relationships forged when we look at dance as a gift in the era of globalization Throughout she asks how dance brings people together in digital spaces and what dance s digital travels might mean for how we experience and express community From original research on dance today to political economies of digital media to the philosophy of dance *Perpetual Motion* provides an ambitious invigorating look at a commonly shared practice

**Probability, Choice, and Reason** Leighton Vaughan Williams,2021-09-15 Much of our thinking is flawed because it is based on faulty intuition By using the framework and tools of probability and statistics we can overcome this to provide solutions to many real world problems and paradoxes We show how to do this and find answers that are frequently very contrary to what we might expect Along the way we venture into diverse realms and thought experiments which challenge the way that we see the world Features An insightful and engaging discussion of some of the key ideas of probabilistic and statistical thinking Many classic and novel problems paradoxes and puzzles An exploration of some of the big questions involving the use of choice and reason in an uncertain world The application of probability statistics and Bayesian methods to a wide range of subjects including economics finance law and medicine Exercises references and links for those wishing to cross reference or to probe further Solutions to exercises at the end of the book This book should serve as an invaluable and fascinating resource for university college and high school students who wish to extend their reading as well as for teachers and lecturers who want to liven up their courses while retaining academic rigour It will also appeal to anyone who wishes to develop skills with numbers or has an interest in the many statistical and other paradoxes that permeate our lives Indeed anyone studying the sciences social sciences or humanities on a formal or informal basis will enjoy and benefit from this book

**International Search Engine Marketing with YouTube Videos** Frank Wilkens,2014-05-15 Research Paper undergraduate from the year 2012 in the subject Communications Public Relations Advertising Marketing Social Media grade 1 0 University of Applied Sciences Bremerhaven language English abstract Hardly any online advertising effort becomes as important for entrepreneurship accomplishments as Search Engine Marketing That s surprising marginally because Search Engines are the single point of contact for customer investigation and information On that score SEM is one of the most important tools to generate specifically leads By the side of all online marketing measures for example keyword

advertising SEO or SEA the international SEM with YouTube videos is first and foremost the fastest growing and by far promising opportunity to establish qualified leads In addition country specific advertising messages are completed with corresponding keywords and well placed with YouTube videos in local Search Engines to achieve qualified groups of customers who are in search of new products or services Marketing specialists analyze and advance the achieved results simultaneously and adjust their marketing strategies immediately As a consequence there is a better cost planning target groups are scaled more precisely and the cost benefit ratio is a sight better for both B2B and B2C The obvious questions are what business motivations give evidence of a fruitful cooperation at the hands of international SEM and YouTube videos Which contents and keywords convert YouTube videos into a guarantee for success and which are critically for a profitable SEM And after all which customer is searching where for what and why These and further questions will be examined and clarified over the course of the next following sites
