**Made for China** Christian Nothhaft, 2017-11-11 This book shares unique perspectives on the successful global evolution and future ambitions of Chinese consumer companies. It presents an unprecedented collection of one-on-one interviews with some of the most influential leaders in China whose companies offer diverse products and services. Further, the book offers future business leaders encouragement and guidance on how to ride the consumer wave in China. It also investigates some of the foremost current trends, revealing the best opportunities for companies to succeed on the Chinese market. Written by a successful business leader, this book is a timely must-read for anyone seeking to understand Chinese consumers, the Chinese market, and what makes Chinese entrepreneurs tick, helping them learn how to do business. **Made for China**

**Behind the AI Mask** Carl Bogan, 2025-12-15 A practical hands-on guide to navigating deepfake technology and reducing the risks it poses to your business. In *Behind the AI Mask: Protecting Your Business From Deepfakes*, technologist and founder of viral platform Myster Giraffe, Carl Bogan explains the dangers, benefits, and potential of deepfake technology. He walks you through how to stay ahead of the risks that businesses face from maliciously deployed deepfake technology, showing you exactly how the tech has evolved and the practical steps you need to take to detect deepfakes in real time and catch scammers in the act. You'll find practical strategies that will save your company time and money and protect against long-lasting reputational harms. You'll also discover early detection strategies that stop incidents before they even begin. Inside the book, you'll learn what's coming next in AI innovation, techniques for embracing AI technology without running afoul of the pitfalls that come along with it. Straightforward and accurate explainers of what exactly deepfakes are, how they're used both legitimately and maliciously, and how they can harm your company. An essential and timely resource for managers, executives, and business leaders. *Behind the AI Mask* is a must-read for everyone worried about the reputational and financial risks posed by deepfakes and those looking for tangible, practical ways to mitigate those risks.
