Thoughts from a Random Mind RL Keller, 2013. Thoughts from a Random Mind is the latest effort by author RL Keller. They are meant to be thought-provoking, encouraging, edifying, instructional, and hopefully also a blessing to the reader. The author considers himself no different than anyone else, just a believer wrestling each day with his beliefs. These devotions were born out of his own personal struggles with life and how his walk with Christ has grown and become more consistent. God is paramount in RL Keller's life, and he is attempting to share his struggles through his writings so that the reader can know that he is not alone in the battle.
