Gino Patrick Johnston, Peter Leech, 2025-10-07 From veteran hockey reporter Patrick Johnston and Gino's longtime friend Peter Leech comes the authorized biography of Gino Odjick. In the 1980s and 90s National Hockey League games were very different from the nimble skill focused displays we see today. One of the greatest differences and one of the sport's more popular facets at the time was the widespread presence of enforcers hulking battle scarred players whose main task was to police the sport by chasing down and brawling with opponents who had broken unwritten codes determining which aspects of violence counted as dishonorable or unjustified. When hard hitting Vancouver Canucks player Gino Odjick emerged in the early 1990s he quickly became one of the game's most feared enforcers and revered teammates a sign of a new era for the team racking up 296 penalty minutes in the 45 games he played in his rookie season. Hailing from Kitigan Zibi an Algonquin community near Maniwaki Quebec Gino was one of the few Indigenous players in the NHL at the time. But it was Gino's ferocious play contrasted by his genuinely affable and openhearted personality off the ice that won him a special place in the hearts of Canucks supporters. Yet legends often obscure the human stories behind them. Patrick Johnston and Peter Leech look beyond Gino's legendary persona drawing on insights from family members friends and teammates to recount Gino's early years in a loving household that was always ready to welcome foster children. Gino's father Joe had suffered the lonely traumas of the residential school system and the experience had instilled a commitment in the family to those who were less fortunate. The book also details Gino's eventual struggles with alcohol abuse and how he responded by taking on the role of empathetic mentor to young Indigenous people travelling from community to community to hear their stories and offer hope. He never wavered in this role even as he confronted serious illnesses including chronic traumatic encephalopathy CTE and the rare blood disorder that he survived for years longer than expected but that eventually led to his death at age fifty two. Gino is a moving tribute to a beloved hockey legend. **The Hockey News ... Yearbook**, 2002 **King of Russia** Dave King, Eric Duhatschek, 2012-11-13 A revealing look inside the Russian Super League by its first Canadian coach. Until now no Canadian had penetrated the coaching ranks of Russian hockey but the year after the NHL lockout Dave King became head coach of the Metallurg Magnitogorsk. From the beginning King Canada's long time national coach and former coach of both the Flames and Blue Jackets realized he was in for an adventure. His first meeting with team officials in a Vienna hotel lobby included six fast talking Russians and the bag man assistant general manager Oleg Kuprianov who always carried a little black bag full of U S one hundred dollar bills. The mission seemed simple enough keep the old Soviet style combination play on offence but improve the team's defensive play and win a Russian Super League Championship. Yet as King's diary of his time in Russia reveals coaching an elite Russian team is anything but simple. King of Russia details the world of Russian hockey from the inside intimately acquainting us with the lives of key players owners managers and fans while granting us a unique perspective on life in an industrial town in the new Russia. And introducing us to Evgeni Malkin Magnitogorsk's star

A Season with Sidney Crosby and the New NHL A gripping account of the rookie season of the NHL's next great saviour
When Sidney Crosby was first drafted by the Pittsburgh Penguins we knew he was bright photogenic personable and a media darling The only question that remained was whether he could handle the big time From an international advertising deal with Reebok to a season of personal triumphs and gut wrenching challenges with a little argument from Don Cherry along the way Sid the Kid has proven that he is the man In the tradition of A Season on the Brink and Peter Gzowski's The Game of Our Lives Shawna Richer has had the exclusive assignment of chronicling Sidney Crosby's incredible rookie season
Beginning with the NHL entry draft that almost never was Richer follows Crosby to Pittsburgh where he is greeted as the team's saviour and moves in with living legend Mario Lemieux Just eighteen the league's youngest player makes the leap to the NHL look easy and is named its best rookie in his first month while performing under great expectations and intense scrutiny He quickly becomes his team's leading scorer and best player there are triumphant openings in New York Toronto and Montreal But like Gretzky and Lemieux the young superstars who came before him his first NHL season provides immense challenges The Penguins struggle to win games and fire their coach early on all with the threat that the team may be sold and leave Pittsburgh hanging over their heads Through it all Crosby rises to each challenge His story is destined to become a classic With less than a minute left to play and the game appearing to be headed to a shootout Crosby vaulted over the bench for his final shift At the same time across the rink in the corner near the Penguins net Ryan Malone pulled the puck onto his stick The rangy sophomore forward looked around for an open man nearby but then he spied Crosby near centre ice just starting to head across the zone The rookie was wide open and all alone Malone fired a long lead pass to his teammate straight up the middle of the rink Just over the centre line Crosby pulled the puck in and charged into the Flyers zone all the anger from earlier contained entirely on the blade of his stick The only thing between him and Niittymaki was less than ninety feet of well worn ice The Finnish goaltender shimmied out of his crease in an attempt to cut down the view of the net but Crosby was churning so hard and so fast he quickly backed up Sidney spotted an opening on Niittymaki's stick side and in an instant he shot and scored He raised his arms and shouted He circled back toward centre ice all broken teeth and fat lip and unbridled rage and joy and sweet revenge in one package The crowd roared its displeasure From The Rookie
