The plan was simple Pose as her fake fianc on Valentine s Day to put an end to her boss s unwanted advances She needed a hero and I was happy to oblige There s just one problem I m already falling for her Moving to Paris to start a cycling business has always been the end game and I m one phone call away from my dream becoming a reality But my ambitions hit a hairpin turn when I come face to face with Nora Turner my new dental hygienist and the woman I ve secretly been pining for She doesn t remember me from last summer but that doesn t stop her from accepting my offer to pose as her fake fianc when her boss gets a little too handsy And when he invites her to a Valentine s Day happy hour it s my job to accompany her and convince her colleagues that my feelings for her are anything but fake Shouldn t be too hard considering I haven t been able to get her out of my head To her this engagement might be a ruse but to me it s an audition for the real deal And when by some twist of fate we find ourselves traveling to Paris together I have a lot more planned than just seeing the Eiffel Tower I ve got one weekend to show Nora how much I want her and if Cupid s on my side turn this fake engagement into a real one
