George Seferis Collected Poems Revised Edition:

George Seferis George Seferis, 2024-11-05 In this new edition of George Seferis's poems the acclaimed translations by Edmund Keeley and Philip Sherrard are revised and presented in a compact English only volume The revision covers all the poems published in Princeton's earlier bilingual edition *George Seferis Collected Poems* expanded edition 1981 Winner of the Nobel Prize for Literature in 1963 George Seferis 1900-1971 has long been recognized as a major international figure and Keeley and Sherrard are his ideal translators They create in the words of Archibald MacLeish a translation worthy of Seferis which is to praise it as highly as it could be praised Although Seferis was preoccupied with his tradition as few other poets of the same generation were with theirs and although he was actively engaged in the immediate political aspirations of his nation his value for readers lies in what he made of this preoccupation and this engagement in fashioning a broad poetic vision He is also known for his stylistic purity which allows no embellishment beyond that necessary for precise yet rich poetic statement

George Seferis George Seferis, 2016-04-19 This new bilingual edition of *George Seferis Collected Poems* both supplements and revises the two earlier editions published in 1967 and 1969 It presents for the first time the complete *Notes for a Week* *Three Secret Poems* and three later poems that were not collected by the poet himself but whose English translation he authorized during his lifetime Originally published in 1982 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

The Poems of Seamus Heaney Seamus Heaney, 2025-11-18 This definitive collection of Seamus Heaney's poetry published in a single volume for the first time gives us the full arc of the Nobel laureate's long and varied career Seamus Heaney's voice is like no other by turns mythological and journalistic rural and sophisticated reminiscent and impatient stern and yielding curt and expansive Helen Vendler *The New Yorker* Published in a single volume for the first time the collected poems of Heaney is a testament to that unforgettable voice and to the breadth and beauty of the Nobel laureate's long and brilliant career from his first book *Death of a Naturalist* 1966 to poems written for *Human Chain* 2010 his twelfth and final book

The Complete Odes and Satires of Horace Horace, 2016-06-30 Horace has long been revered as the supreme lyric poet of the Augustan Age In his perceptive introduction to this translation of Horace's *Odes and Satires* Sidney Alexander engagingly spells out how the poet expresses values and traditions that remain unchanged in the deepest strata of Italian character two thousand years later Horace shares with Italians of today a distinctive delight in the senses a fundamental irony a passion for seizing the moment and a view of religion as aesthetic experience rather than mystical exaltation in many ways as Alexander puts it Horace is the quintessential Italian The voice we hear in this graceful and carefully annotated translation is thus one that

emerges with clarity and dignity from the heart of an unchanging Latin culture Alexander is an accomplished poet novelist biographer and translator who has lived in Italy for more than thirty years Translating a poet of such variety and vitality as Horace calls on all his literary abilities Horace Quintus Horatius Flaccus 65 8 bce was born the son of a freed slave in southern rural Italy and rose to become one of the most celebrated poets in Rome and a confidante of the most powerful figures of the age including Augustus Caesar His poetry ranges over politics the arts religion nature philosophy and love reflecting both his intimacy with the high affairs of the Roman Empire and his love of a simple life in the Italian countryside Alexander translates the diverse poems of the youthful Satires and the more mature Odes with freshness accuracy and charm avoiding affectations of archaism or modernism He responds to the challenge of rendering the complexities of Latin verse in English with literary sensitivity and a fine ear for the subtleties of poetic rhythm in both languages This is a major translation of one of the greatest of classical poets by an acknowledged master of his craft

Selected Poems of Solomon Ibn

Gabirol Solomon Ibn Gabirol, 2016-06-30 Poet philosopher and sensitive misanthrope a spectacular fly in the ointment of the refined eleventh century Andalusian Jewish elite Solomon Ibn Gabirol comes down to us as one of the most complicated intellectual figures in the history of post biblical Judaism Unlike his worldly predecessor Shmuel HaNagid the first important poet of the period Ibn Gabirol was a reclusive mystically inclined figure whose modern sounding medieval poems range from sublime descriptions of the heavenly spheres to poisonous jabs at court life and its pretenders His verse which demonstrates complete mastery of the classicizing avant garde poetics of the day grafted an Arabic aesthetic onto a biblical vocabulary and Jewish setting taking Hebrew poetry to a level of metaphysical sophistication and devotional power it has not achieved since Peter Cole s selection includes poems from nearly all of Ibn Gabirol s secular and liturgical lyric genres as well as a complete translation of the poet s long masterwork Kingdom s Crown Cole s rich inventive introduction places the poetry in historical context and charts its influence through the centuries Extensive annotations accompany the poems This companion volume to Peter Cole s critically acclaimed Selected Poems of Shmuel HaNagid presents the first comprehensive selection of Ibn Gabirol s verse to be published in English and brings to life an astonishing body of poetry by one of the greatest Jewish writers of all time
