Harris, Jay Rosen, Gary Calpas, 1999 In this book we ask students to do three things 1 To keep a media journal in which they reflect on the uses they make of the voices and images of popular culture 2 to read and respond to the work of other media critics to test their own views and experiences against those of the writers included in these pages and 3 to try their hands at writing media criticism themselves All three kinds of work ask students to find and write about texts from the media culture around them to think critically about what they see and hear on their television sets and radios in magazines and newspapers on city streets and shopping malls at the movies and at concerts and clubs To put it another way we believe that a book such as this can provide only some of the materials for a course on writing about popular culture that the remaining materials must always come from the media themselves and the experiences students have with them Our aim is not to inculcate students with a certain set of critical methods or terms or to introduce them to the academic study of popular culture but to offer them opportunities to rethink and write about their own experiences with the media to come to their own understandings of our common culture The Internet Newsroom, 1999 Your guide to the world of electronic factgathering *Personal Computing*, 1983 **Cool Sites** Lisa Trumbauer, 1999 Provides descriptions and Web addresses for numerous sites on the Internet that provide information about many different sports and sports related topics Newsweek, 1983 **Peter Norton's Intro to Computers 6/e** Peter Norton, 2004-12-30 Peter Norton's Introduction to Computers 5th Edition is a state of the art text that provides comprehensive coverage of computer concepts It is geared toward students learning about computer systems for the first time Some of the topics covered are an Overview of computers input methods and output devices processing data storage devices operating systems software networking Internet resources and graphics **Sports Illustrated**, 1959 **The New York Times Index**, 2008 *Illinois Football*, 2007 *Online Access*, 1996 **Computers & Electronics**, 1983 **The Sporting News**, 1986-10 **The New Yorker**, 1997 **The Bulletin of the American Society of Newspaper Editors** American Society of Newspaper Editors, 1992 Westways, 1984 **The Week**, 2002
