*A Comedian and an Activist Walk into a Bar* Caty Borum Chattoo, Lauren Feldman, 2020-03-24 A comprehensive and insightful examination of the ways comedy can help shape social justice movements Hasan Minhaj Comedian and Host of the Netflix series Patriot Act with Hasan Minhaj Comedy is a powerful contemporary source of influence and information In the still evolving digital era the opportunity to consume and share comedy has never been as available And yet despite its vast cultural imprint comedy is a little understood vehicle for serious public engagement in urgent social justice issues even though humor offers frames of hope and optimism that can encourage participation in social problems Moreover in the midst of a merger of entertainment and news in the contemporary information ecology and a decline in perceptions of trust in government and traditional media institutions comedy may be a unique force for change in pressing social justice challenges Comedians who say something serious about the world while they make us laugh are capable of mobilizing the masses focusing a critical lens on injustices and injecting hope and optimism into seemingly hopeless problems By combining communication and social justice frameworks with contemporary comedy examples authors Caty Borum Chattoo and Lauren

Feldman show us how comedy can help to serve as a vehicle of change Through rich case studies audience research and interviews with comedians and social justice leaders and strategists A Comedian and an Activist Walk Into a Bar The Serious Role of Comedy in Social Justice explains how comedy both in the entertainment marketplace and as cultural strategy can engage audiences with issues such as global poverty climate change immigration and sexual assault and how activists work with comedy to reach and empower publics in the networked participatory digital media age *Unapologetic* Natalie Frost,2022-04-12 Take your power back and learn to love yourself Being a female can come with some real challenges even in today s society Trying to find the best way to navigate the world can be tricky especially when you are feeling alone In candid relatable prose Natalie Frost shares some of the lessons that she s learned during her life so far Drawing on her experience as a trauma survivor as well as a stepmom her advice is particularly targeted at girls and young women who often receive destructive messages about their worth and agency as they grow up This book addresses topics such as rape abusive relationships self image anxiety suicidality and family relationships while also offering concrete advice on self care and mental wellness By sharing her personal history Frost offers a thoughtful and tenderhearted exploration of mental health for girls and women *Unapologetic* will be of particular interest to young women in their teens and early twenties as well as to people in blended families **Fuel** Sean O'Brien,2020-10-29 He s one of the best players I ve ever played with As a forward I d say he s the best Johnny Sexton Se n O'Brien does not come from a traditional rugby background He grew up on a farm in Tullow far from the rugby hotbeds of Limerick and Cork or the fee paying schools of Dublin But as he made his way up through the ranks it soon became clear that he was a very special player and a very special personality Now Se n O'Brien tells the remarkable and unlikely story of his rise to the highest levels of world rugby and of a decade of success with Leinster Ireland and the British and Irish Lions [100 Proven Habit Hacks: Build Atomic Habits & Self-Discipline Fast](#) Jason Clarke , Transform Your Life in Just 66 Days The Science Backed Habit Formation System That Actually Works Struggling to build lasting habits You re not alone Research shows that 92% of New Year s resolutions fail by February and the average person tries to change the same behavior 5 7 times before succeeding But what if the problem isn t your willpower it s your strategy 100 Proven Hacks for Building Habits That Stick Fast reveals the neuroscience backed methods used by top performers athletes and entrepreneurs to create permanent behavior change without relying on motivation or discipline Inside this evidence based habit formation guide you ll discover The 2 minute rule that makes starting new habits effortless even on your worst days Atomic habits strategies for 1% daily improvements that compound into 37x better results in one year Dopamine hacking techniques to wire in positive behaviors instantly The Never Miss Twice rule that prevents one slip from becoming total failure Environment design secrets that make good choices automatic Digital minimalism tactics to break phone addiction and reclaim your focus Identity based habit methods that change who you are not just what you do Backed by 150 scientific studies from behavioral psychology neuroscience and habit formation research this comprehensive
