Amazon doesn't provide the always floating Contact Us option. Rather, Amazon has systematically developed a level one support system consisting of FAQs and self-helps and anticipates customers to be able to solve issues themselves. They do provide other conventional customer support platforms such as phone, chat, and email, which are reserved for level two support. Thus, a proper know-how information is required to get in touch with the Amazon customer support team. Thus, this booklet has been prepared to provide a systematic guideline to get in touch with the Amazon customer support system. Thus, some sequential steps are required to be executed to contact Amazon. This booklet provides a concise and rational guide for getting in touch with Amazon Customer Support Personnel. Hence, this booklet claims to be a handy resource for any Amazon service taker.
