Box Office Guide Returns:

United States Official Postal Guide United States. Post Office Department, 1930 **The First King of Hollywood** Tracey Goessel, 2015-10-01 Theatre Library Association's Wall Award Finalist Silent film superstar Douglas Fairbanks was an absolute charmer Irrepressibly vivacious he spent his life leaping over and into things from his early Broadway successes to his marriage to the great screen actress Mary Pickford to the way he made Hollywood his very own town The inventor of the swashbuckler he wasn't only an actor he all but directed and produced his movies and in founding United Artists with Pickford Charlie Chaplin and D W Griffith he challenged the studio system But listing his accomplishments is one thing and telling his story another Tracey Goessel has made the latter her life's work and with exclusive access to Fairbanks's love letters to Pickford she brilliantly illuminates how Fairbanks conquered not just the entertainment world but the heart of perhaps the most famous woman in the world at the time When Mary Pickford died she was an alcoholic self-imprisoned in her mansion nearly alone and largely forgotten But she left behind a small box in it worn and refolded were her letters from Douglas Fairbanks Pickford and Fairbanks had ruled Hollywood as its first king and queen for a glorious decade But the letters began long before when they were both married to others when revealing the affair would have caused a great scandal Now these letters form the centerpiece of the first truly definitive biography of Hollywood's first king the man who did his own stunts and built his own studio and formed a company that allowed artists to distribute their own works outside the studio system But Goessel's research uncovered more than Fairbanks's first film appearance was two years earlier than had been assumed that his stories of how he got into theater and then into films were fabricated that the Pickford Fairbanks Studios had a specially constructed underground trench so that Fairbanks could jog in the nude that Fairbanks himself insisted racist references be removed from his films intertitles and the true cause of Fairbanks's death Fairbanks was the top male star of his generation the maker of some of the greatest films of his era *The Thief of Bagdad* *Robin Hood* *The Mark of Zorro* He was fun witty engaging creative athletic and a force to be reckoned with He shaped our idea of the Hollywood hero and Hollywood has never been the same since His story like his movies is full of passion bravado romance and desire Here at last is his definitive biography based on extensive and brand new research into every aspect of his career and written with fine understanding wit and verve **The Official Railway Guide** , 1884 **Post Office Guide** Great Britain.
