L. Max Nikias, 2026-03-03 American Trojan is the captivating story of a refugee who lost everything and then rebuilt it all an immigrant who defied the odds and achieved the American Dream a visionary technologist who transformed the University of Southern California into one of the nation s most prestigious private research universities At a time when

many universities have succumbed to ideology over truth under Nikias's leadership USC retained its academic integrity in the face of high stakes negotiations high rolling donors and the profound challenges of modern leadership Hailing from a humble village on the island of Cyprus Nikias steeped in thousands of years of history as he grew up But when the Turkish invasion of 1974 destroyed everything his family had built he came to America to see what the Land of Opportunity had to offer Upon completion of his graduate engineering studies he embarked on an academic career that established him as a pioneer in digital signal analysis lead him to collaborate on military projects with the U S Navy and eventually led him to USC which would forever alter the trajectory of his career and life Against this dramatic backdrop American Trojan offers candid insights into how Nikias's bold vision transformed USC into one of America's most elite universities More than a personal story it is a blueprint for leadership offering insights into how Nikias and his team strategized to meet formidable challenges to USC An urgent examination of higher education's current crisis American Trojan provides a roadmap for renewal offering specific recommendations for how universities can reclaim their true mission of transmitting knowledge and cultivating young minds

Viewpoint Diversity John Tomasi, Bernard Schweizer, 2026-03-10 Viewpoint diversity is suddenly on everyone's lips yet few agree on what it really means Is it about political balance Free speech Academic inclusion Or something far more vital the courage to engage across difference In *Viewpoint Diversity What It Is Why We Need It and How to Get It* leading heterodox thinkers tackle one of the most urgent questions of our time how to keep open inquiry and constructive disagreement alive amid rising conformity on both left and right Spanning essays on higher education politics culture and the arts this bold collection offers both sharp diagnosis and practical solutions for cultivating genuine pluralism Timely provocative and refreshingly constructive *Viewpoint Diversity* makes the case for a richer freer and more resilient public culture one that thrives not in spite of disagreement but because of it

[One Semester Away from a Crisis](#) William T. Bogart, 2026-03-10 Small colleges are a vital component of the United States higher education system However their unique characteristics are often overlooked in analyses that incorporate all colleges and universities Many concepts familiar to economics professors but less familiar to more general audiences are helpful in understanding small colleges These concepts include sophisticated ideas not typically covered in basic economics courses such as regulatory capture decision making under uncertainty and the logic of collective action By combining economic theories with his own experiences leading small colleges William T Bogart provides a way for presidents trustees and other leaders of small colleges to more effectively help their institutions achieve their full potential
