Links in the Chain Naomi Pasachoff, 1997-12-18 Judaism or that which has united the successive generations of Jews into one people is not only a religion it is a dynamic religious civilization Mordecai Menachem Kaplan from Questions Jews Ask

1956 In assessing what their Jewish identities mean to them Jews today sometimes describe themselves as links in a chain of tradition that stretches back to biblical times In this collection of biographies of Jewish thinkers from ancient times to the present the links in that chain come to life through the dramatic stories of 41 shapers of Jewish tradition From Hillel whose teaching more than twenty centuries ago set Judaism on its post biblical course to Yitzhak Rabin the Noble Peace Prize winning Prime Minister of Israel who helped to broker a peace settlement between the Israelis and the Palestinians these men and women all left an indelible mark on Jewish practice scholarship or nationalism In individual biographical essays Naomi Pasachoff explores the contributions of philosophers poets and philanthropists of mystics statesmen and scholars of religious organizers and Zionist leaders In so doing she uncovers surprising facts about well known figures For example Theodor Herzl is widely honored as the father of the modern state of Israel but did you know that he once dreamed of leading all the Jews of Vienna to St Stephan Cathedral to undergo mass baptism Readers who recognize Rashi as the most famous of all biblical commentators may be startled to learn that his concise style was a function of his tight budget The book includes suggestions for further reading an appendix a glossary and an index Illustrations and photographs accompany the text and a biographical fact box for each profile provides for easy reference All these features make Links in the Chain an ideal introduction to Jewish role models for younger readers and a vital reference for all interested in Jewish history Moreover the book is a reminder that Jewish tradition is still evolving and that each reader has the potential to contribute to it 41 extended essays profile the lives and contributions of Jewish heroes including Johanan ben Zakkai the spiritual and intellectual leader who reshaped Jewish life after the destruction of the Temple in 70 C E Dona Gracia Nasi the outstanding 16th century leader who led the equivalent of an underground railroad to lead fugitive Marranos to safety Rebecca Gratz said to have been the model for the character Rebecca in Walter Scott's Ivanhoe who spearheaded the development of Jewish Sunday schools in the United States Leopold Zunz whose transformation of Jewish scholarship in the 19th century ultimately led to the existence of Judaica departments and programs in major universities Lily Montagu whose unsatisfying Orthodox childhood as a child of privilege in Victorian England transformed her into a 20th century leader of British and world liberal Judaism Isaac Mayer Wise the early leader of Reform Judaism in the United States who conceived of and helped bring into existence many of the institutions of contemporary American Judaism Eliezer Ben Yehudah the father of modern Hebrew who nearly singlehandedly transformed Hebrew from an ancient religious language into a spoken modern one

The American Journal of Semitic Languages and Literatures, 1923 The Encyclopedia of the Sayings of the Jewish People Macy Nulman, 1997-09 In this volume Macy Nulman explores the sources origins histories meanings and usages of nearly 2 000 sayings translated into English from the original Hebrew Yiddish or Aramaic Like his previous book The Encyclopedia of Jewish Prayer this book is also destined to be a standard reference source A Grammar of Mishnaic Hebrew Moses Hirsch Segal, 1927 Mother of Reason and Revelation Irene E. Zwiép, 1997 This book presents a first inventory of Medieval Jewish

linguistic thinking covering the period from Sa adya Gaon to Profiat Duran The author claims that the Hebrew grammatical tradition itself contains but vague reminiscences of actual linguistic thinking However contemporary philosophical treatises exegetical works and scientific encyclopedias of Rabbanite and Karaite provenance provide these reminiscences with a general theoretical background In a Human Voice Carol Gilligan,2023-07-17 Carol Gilligan s landmark book In a Different Voice the little book that started a revolution brought women s voices to the fore in work on the self and moral development enabling women to be heard in their own right and with their own integrity for the first time Forty years later Gilligan returns to the subject matter of her classic book re examining its central arguments and concerns from the vantage point of the present Thanks to the work that she and others have done in recent decades it is now possible to clarify and articulate what couldn t quite be seen or said at the time of the original publication that the different voice of care ethics although initially heard as a feminine voice is in fact a human voice that the voice it differs from is a patriarchal voice bound to gender binaries and hierarchies and that where patriarchy is in force or enforced the human voice is a voice of resistance and care ethics is an ethics of liberation While gender is central to the story Gilligan tells this is not a story about gender it is a human story With this clarification it becomes evident why In a Different Voice continues to resonate strongly with people s experience and perhaps more crucially why the different voice is a voice for the 21st century *The Journal ...
