Nhl Opening Night Update Open Now:

Gino Patrick Johnston, Peter Leech, 2025-10-07 From veteran hockey reporter Patrick Johnston and Gino's longtime friend Peter Leech comes the authorized biography of Gino Odjick. In the 1980s and 90s National Hockey League games were very different from the nimble skill focused displays we see today. One of the greatest differences and one of the sport's more popular facets at the time was the widespread presence of enforcers hulking battle scarred players whose main task was to police the sport by chasing down and brawling with opponents who had broken unwritten codes determining which aspects of violence counted as dishonorable or unjustified. When hard hitting Vancouver Canucks player Gino Odjick emerged in the early 1990s he quickly became one of the game's most feared enforcers and revered teammates a sign of a new era for the team racking up 296 penalty minutes in the 45 games he played in his rookie season. Hailing from Kitigan Zibi an Algonquin community near Maniwaki Quebec Gino was one of the few Indigenous players in the NHL at the time. But it was Gino's ferocious play contrasted by his genuinely affable and openhearted personality off the ice that won him a special place in the hearts of Canucks supporters. Yet legends often obscure the human stories behind them. Patrick Johnston and Peter Leech look beyond Gino's legendary persona drawing on insights from family members friends and teammates to recount Gino's early years in a loving household that was always ready to welcome foster children. Gino's father Joe had suffered the lonely traumas of the residential school system and the experience had instilled a commitment in the family to those who were less fortunate. The book also details Gino's eventual struggles with alcohol abuse and how he responded by taking on the role of empathetic mentor to young Indigenous people travelling from community to community to hear their stories and offer hope. He never wavered in this role even as he confronted serious illnesses including chronic traumatic encephalopathy CTE and the rare blood disorder that he survived for years longer than expected but that eventually led to his death at age fifty two. Gino is a moving tribute to a beloved hockey legend. **The Hockey News ... Yearbook**, 2002 **King of Russia** Dave King, Eric Duhatschek, 2012-11-13 A revealing look inside the Russian Super League by its first Canadian coach. Until now no Canadian had penetrated the coaching ranks of Russian hockey but the year after the NHL lockout Dave King became head coach of the Metallurg Magnitogorsk. From the beginning King Canada's long time national coach and former coach of both the Flames and Blue Jackets realized he was in for an adventure. His first meeting with team officials in a Vienna hotel lobby included six fast talking Russians and the bag man assistant general manager Oleg Kuprianov who always carried a little black bag full of U S one hundred dollar bills. The mission seemed simple enough keep the old Soviet style combination play on offence but improve the team's defensive play and win a Russian Super League Championship. Yet as King's diary of his time in Russia reveals coaching an elite Russian team is anything but simple. King of Russia details the world of Russian hockey from the inside intimately acquainting us with the lives of key players owners managers and fans while granting us a unique perspective on life in an industrial town in the new Russia.
