Engagement by Understanding What Motivates Us** Joe Federer,2020-09-15 From the former Head of Brand Strategy at
Reddit comes a proven and thought provoking approach to the digital economy and how brands can create authentic
engagement that is rooted in the fundamental motivations behind human psychology Leading marketing practitioner and
thought leader Joe Federer draws on evolutionary biology anthropology neuroanatomy and psychology as well as more than a
decade of hands on experience to explain why people act so differently in various online spaces and what they are seeking
from participating in each one With a framework based on Freud s Id Ego and Superego model of the human psyche he
demonstrates how the internet is a digital reflection of the collective human psyche and how different social networks
correspond to different mindsets platforms like Reddit to the unfiltered Id Facebook and Twitter to the managed Ego and
Instagram to the ideal Superego In the same way you behave differently when you re home alone out with friends
communicating with family or interacting with coworkers people act and express themselves differently in these various
online spaces Context matters Understanding this will enable you to develop and execute effective engagement strategies to
reach your target audiences on each social network Learn how to create content that drives sharing and word of mouth how
brands can fit natively into different types of social channels how to balance branded social presences across different
networks why authenticity will only grow in importance to consumers Fascinating and deeply compelling **The Hidden
