showed the world how to create winning content for underpriced attention channels. But since then new platforms have emerged others have become less relevant and algorithms are incentivizing new styles of content. New skills are necessary to create advertising that builds brand and sales. In his latest book Vaynerchuk argues that today's fast growing businesses brands content creators and influencers have one thing in common They mastered storytelling in areas of underpriced attention which predominantly exists across a handful of social media platforms. Informed by 20 years of business and marketing success he contends that the biggest transformation and opportunity is the TikTokification of Social Media. Increasingly platforms are distributing content based on what users are interested in rather than who they follow. In Day Trading Attention Gary offers detailed advice on how small businesses large corporations and creators can Understand attention what it is where it is where it's underpriced and how to leverage it.
