Essay Essentials With Readings Custom Edition:

Essay Essentials with Readings Sarah Norton, Brian Green, 2010-02-12 Essay Essentials with Readings provides a straightforward and practical approach to developmental English. The book concentrates on essay writing techniques and different patterns of essay development but includes material on research papers as well as a sentence level review of the basics. Readings are integrated throughout and have been selected based on topics that are of interest to college students.

Essay Essentials with Readings, Enhanced Nelson Education Limited, 2015-10-06 Known for its straightforward and practical approach, Essay Essentials with Readings Enhanced Sixth Edition continues to provide students with the guidance they need to become better writers. While the book focuses on essay writing techniques and different patterns of essay development, the authors recognize that the inclusion of readings, information on research papers, and a review of the basics provides students with a complete overview of the writing process. New to this enhanced edition is MindTap, a fully online learning solution. Offering personalized paths of dynamic assignments and applications, MindTap is a digital learning solution that turns cookie-cutter into cutting-edge, apathy into engagement, and memorizers into higher-level thinkers. MindTap enables students to analyze and apply chapter concepts within relevant assignments and allows instructors to measure skills and promote better outcomes with ease. Instructors personalize the experience by customizing the presentation of these learning tools to their students, even seamlessly introducing their own content into the Learning Path.
