**Building a New Table** Brittany Lewis, 2026-05-05 A vital guide to centering community knowledge to generate effective solutions to inequality When organizations take on social problems from school reform to conservation to healthcare disparities community members are sometimes invited to the table to share their insights But if the table has already been set with institutional assumptions about the issue at hand the solutions that emerge often have little to do with the people and places they are meant to help When this is the case inclusion can only go so far as Dr Brittany Lewis argues it s time to build a new table Drawing on her work as a community researcher and nonprofit consultant Dr Lewis developed the Equity in Action EIA model as a framework for closing the gaps between communities researchers and institutions By centering the knowledge of the community members who ostensibly benefit from the work of various organizations EIA makes research questions more relevant and the research process more targeted getting at the roots of social inequality to find sustainable impactful solutions In Building a New Table Dr Lewis guides readers through the steps of EIA assessing the landscape building the community action council co developing a research approach data collection community review and identifying solutions Along the way she highlights the values imbued in each step and the skills needed for success as well as how the model can be adapted for different organizations Practical and hands on Building a New Table explores each phase of the Equity in Action model through case studies featuring commentary from organizational leaders and staff who have used it to reshape their engagement with the communities they serve Demonstrating how to ground solutions in lessons from lived experience this book teaches how authentic community engagement and community driven research creates reciprocal generative relationships that can enact real systemic change Retail e book files for this title are screen reader friendly with images accompanied by short alt text and or extended descriptions

*Bitcoin for Boomers - Bitcoin for Seniors: Ditch the Debt, Ditch the Dollar, Discover Real Wealth* Steve Stylz, 2025-10-25 The world we grew up in is gone For decades Baby Boomers believed in steady pensions reliable savings and the promise that Social Security would provide security in our later years But those pillars are now crumbling under the weight of inflation endless government debt and a financial system that enriches the few while hollowing out the many What once felt solid is now quicksand Bitcoin for Boomers is not a get rich quick scheme or a technical manual It is a roadmap to financial freedom in a time of great uncertainty Written with Boomers in mind this book strips away the jargon and fear showing in plain language why Bitcoin is not just speculation but the most important form of money ever invented It is scarce incorruptible and built for a future where individuals take back control of their wealth
