imagined that not too long would turn out to be never because I never got my mother back 3 I was too young to understand the risks my mother was taking but I could see how she had changed walking down the street She no longer looked down at the ground because she was afraid of the rocks tripping her 4 My grandmother's house was located in a poor town in Mexico called Iguala de la Independencia The house was surrounded by a corral To the east of the house was an unpaved street that led to the church the school and the tortilla mill To the west was a dirt road that led past Don Ruben's house and curved east to the dairy farm the canal and the highway
