Dept. of Agriculture, 1874 *The Corset and Underwear Review*, 1947 **Franz Liszt's Songs for Voice and Piano** Małgorzata Gamrat, 2023-11-27 How does a Romantic composer approach the poetry he sets as raw material to be remade a pretext for self expression a sanctified artefact or a message to be illustrated with music In my book I examine Franz Liszt s songs for voice and piano which remain little known to scholars artists and music lovers alike The objective is to present Liszt s songs in all their complexity and diversity as well as identifying the key elements of the composer s broadly understood song writing technique both those that make him unique and those that relate him to the European tradition This approach also makes it possible to shed light on a major though previously neglected aspect of the composer s workshop namely his work with the poetic text which to Liszt was just as important as the musical setting **Report of the Commissioner of Agriculture** USA Department of Agriculture, 1874
