The Maya Papyrus:

The Maya Papyrus Richard Coady,2013-07 One of the best historical novels I ve read in a very long time LM Ironside author of *The Sekhmet Bed* and *The Crook and Flail In the Valley of the Kings* a team of archaeologists has unearthed a secret that has lain buried for over 3000 years Hidden in Nefertiti s tomb is a bundle of papyrus sheaves Although badly decayed the documents have survived well enough to tell an epic tale of war murder and treachery Thuya is a woman who craves greatness Her son Aye is a man who will stop at nothing to attain it Together they will concoct a scheme so monumental that it will mould the reigns of Egypt s kings and rewrite the future of the known world *The Maya Papyrus* is populated with some of the most extraordinary characters in history Tutankhamun the boy king his father Akhenaten the deformed tyrant Akhenaten s queen Nefertiti whose beauty remains legendary three millennia later Who among them can stand against a man willing to risk everything to achieve immortality

Transnationalism in Ancient and Medieval Societies Michael C. Howard,2014-01-10 While scholars have long documented the migration of people in ancient and medieval times they have paid less attention to those who traveled across borders with some regularity This study of early transnational relations explores the routine interaction of people across the boundaries of empires tribal confederacies kingdoms and city states paying particular attention to the role of long distance trade along the Silk Road and maritime trade routes It examines the obstacles voyagers faced including limited travel and communication capabilities relatively poor geographical knowledge and the dangers of a fragmented and shifting political landscape and offers profiles of better known transnational elites such as the Hellenic scholar Herodotus and the Venetian merchant Marco Polo as well lesser known servants merchants and sailors By revealing the important political economic and cultural role cross border trade and travel played in ancient society this work demonstrates that transnationalism is not unique to modern times Instructors considering this book for use in a course may request an examination copy here *Egyptian Irrigation* Sir William Willcocks,James Ireland Craig,1913 [The Cambridge Companion to the History of the Book](#) Leslie Howsam,2015 An accessible and wide ranging study of the history of the book within local national and global contexts *The Pulp and Paper Industry* American Paper and Pulp Association,1933 [Text series](#) ,1927 *Elements of Bibliography* Robert Bartlett Harmon,1998 Contains information on the compilation of enumerative and analytical bibliographies the use of electronic help to search out bibliographic material career opportunities in the fields related to bibliographic study the future of bibliography and the history of the creation of bibliographies This new edition has been revised to take into account the impact of computer technology and new media practices Annotation copyrighted by Book News Inc Portland OR *El Palacio* ,1914 **Annual Bulletin** Rhode Island.
