Dear Mr. Hector Garcia,

I am writing to apply for the copy editor position advertised on the Times-Picayune job board. I feel like my skills, career experience, and passions for the subject matter make me an excellent fit for this role. As requested, I am enclosing my resume and references along with this letter.

I originally developed my love of the written word in high school, editing the Forest Ridge Tribune student newspaper. I continued developing my skills as the features editor for my college paper, the Husky Digest, and as the copy intern for the Tacoma Herald. I have spent my 12 years in the Pacific Northwest expanding my interpretation of multiple style guides, honing my abilities as both a content editor and a copy editor, and guiding writers of many disciples.

My responsibilities at these organizations have included content production and strategy, content editing, copy editing and writing, data mapping, and layout design. I hope to grow these skills within this new copy editor position and would love the opportunity to bring my industry experience to the print campaigns that are in development for the next year.

Thank you for your time and consideration. I look forward to speaking more with you about this opportunity.

Sincerely,

Blaize Morgan
